School Counseling Update – December 2021-January 2022

SECOND SEMESTER SCHEDULES

You can view your 2nd semester schedule in Synergy and complete the following google form prior to December 10, 2021 if changes are needed.

www.bit.ly/2022schedulechange

Second semester schedules will not be printed for students. Please check Synergy to review the 2nd semester schedule. It is the responsibility of the student/parent to review the schedule and if an error/missing period is found to submit a “schedule change request form” to the counselor no later than Friday, December 10, 2021. **Teacher or lunch changes cannot be honored.**

It is important that all students clear their obligations from 1st semester (class fees, sports, lost textbooks, damages etc.) before leaving for Winter Break. First semester report cards will be distributed to students on Monday, January 3, 2022. Payment for 2nd semester fee-based classes must be made **after** you return from break and recommended before January 24, 2022. Second semester fees **cannot** be paid prior to January 3, 2022.

COUNSELING OFFICE ACTIVITIES

During October and November through the Social Studies classes, counselors are meeting with 12th graders to review their ECAP (Education Career Action Plan).

Parents: We encourage you to have a conversation with your student about ECAP. Future planning is critical to ensure that students meet graduation requirements, have knowledge about programs of study and are able to pursue their post-secondary goals. Your involvement is extremely important!

FINAL EXAM STUDY TIPS

Final Exams will be given Tuesday – Thursday, December 14th- 16th. Final exams are worth 20% of the semester grade. Make sure that you're checking Synergy to keep up with your grades. (If you haven't received log on information for Synergy, please contact the **Counseling Office**.) Take advantage of these study tips to help ensure that your student is better prepared in order to do well on his/her final exam. Good Luck!

Manage your time. Study your hardest subjects first. Make studying a priority over other activities.

Take notes written in class and rewrite them at home. Make flashcards, visual aids, or highlight important points to help you remember. Using your notes or flashcards, quiz yourself or have someone else quiz you. Repetition is the key.

Read your notes to your parents and “teach” them the material. If you get stuck on something make sure you ask your teacher about it the next day.

Re-read the chapters and the chapter reviews.

Get a good night's sleep: Don't stay up all night studying the night before.

Do not wait until the last minute to study. Study a little bit every night for several nights before the test. Don't cram!

Find a good place to study. It should be quiet and free of distractions. No TV!

Eat a light and nutritious meal sometime before the test. Avoid junk food!

Stay relaxed; take soft deep breaths.

Think positive thoughts such as “I can do this.”
