

## PARENT INFORMATION REMINDER

As we get ready to start the new school year there are a few reminders. We ask you kindly to read the **Parent Communication Packet** that is usually sent home by Option C every Thursday. Important information and events that you need to know are always included.

ALL absences **MUST** be reported by 8:45 a.m. For your convenience, the telephone messaging service **answers 24-7**. You may call anytime to report your absence. If the absence is not reported by that time, it is marked as "Negligence of Parent" on Option C.

If you have **any changes** to dismissal, such as car rider, bus rider, walker, Extended Care, from what your child was told in the morning, please call the Main Office by 2:25 p.m. Once dismissal begins, the telephone will not be answered until dismissal is over. It is best to call the Main Office instead of contacting the teacher by email. Teachers, at times, do not have the luxury of checking their messages because of teaching.

If your son or daughter needs to leave early for an appointment or any other reason, please notify the teacher or Main Office at the **BEGINNING** of the day. It is not fair to keep interrupting the education environment for these dismissals. We understand that emergencies arise, but please follow the policy that is requested.

If your child is experiencing symptoms of illness, please **do not** send them to school. It saves you, the parent/guardian the hassle of having to come pick them up and it also keeps the other students and teachers safe and healthy. Your child could be sent home if they arrive ill. If your child misses 3 or more consecutive days they will need a doctor's note upon returning.

These above items are meant for the health and safety of your child and others. We want to maintain a sound academic environment as well. Thank You for your attention regarding these matters. We look forward to the upcoming school year!
