

Subject: Summary of SIC Meeting – February 25 at JMS

Dear Parents and Guardians,

We wanted to provide you with a summary of the **School Improvement Council (SIC) Meeting** held on **February 25** at the **Johnsonville Middle School Media Center**.

In the absence of the principal due to injury, **Mr. Coleman** led the meeting, with assistance from **Tracy Rutterman**, an administrative assistant from JHS. A **PowerPoint presentation** was used to share information on the following key topics:

- **Review of Winter Diagnostics Data (i-Ready)**
- **Upcoming Events at JMS**
- **SIC Goal Development for the Next School Year**

The majority of the meeting focused on developing **SIC goals** for the upcoming school year. The goals established include:

1. **Establishing a fundraising committee** with teachers and parents to raise funds for school initiatives.
2. **Enhancing communication** between parents and the school, including providing assistance on how to use digital platforms for school-related communication.

A **PowerPoint presentation** with the i-Ready diagnostic data and upcoming events will be attached to the meeting minutes for reference.

Thank you to everyone who participated and contributed to this important discussion. Your involvement is essential to the success of our school community!

Best regards,
Mirandi Squires
Principal
Johnsonville Middle School
