

## JOHNSONVILLE ELEMENTARY SCHOOL SCHOOL PARENT COMPACT

Johnsonville Elementary School and the parents of students participating in activities, services, and programs funded by Title I agree that this compact outlines how they will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. The school-parent compact will be in effect during the 2020-2021 school year.

### School Responsibilities

Johnsonville Elementary School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's academic achievement standards as follows:

The school provides many programs to assist students in mastering standards. Tutoring in reading is provided during the school day to assist students who are having difficulties in grades k-1. Teachers use MAP and TE-21 testing to assess student weaknesses in subject areas so that additional help can be provided. Teachers are also using technology to make instruction more interactive and exciting for students. The curriculum used by teachers is revised by teachers in their grade levels to meet the needs of students on a yearly basis.

2. Hold parent-teacher conferences:

Parent teacher conferences will be held virtually due to COVID. Parents will be contacted by their child's teacher through Class Dojo. We encourage parents to contact their child's teacher to discuss the progress of the student.

3. Provide parents with reports on their Child's progress:

Reports will be sent to parents each 9 weeks that give information on their child's progress. This report will be sent home with the child. The dates are November 17, February 2, April 14 and June 9. Interim reports will be sent in the middle of each nine week grading period.

4. Provide the opportunity for parents to consult with teachers:

The school welcomes parents to schedule virtual appointments with teachers at the school concerning the progress of their child. Please call the school at 386-2955 to schedule an appointment or contact your child's teacher through Class Dojo.

5. Provide parents opportunities to volunteer and observe in their child's class:

Due to COVID, we are unable to allow parents in the building to volunteer or observe in their child's classroom.
