

# How to Login to the PowerSchool App

You need to already have a parent account on the PowerSchool website to use the app. If needed, go to <https://hankinson.ps.state.nd.us/public/home.html> and click **“Create Account”** to get started (you will need to know your children’s access ID and password).

1. Open the app and for the 4-digit District Code, type in the following and click continue:

MGBN

2. From there, enter the same username and password you use for the PowerSchool website.

That's it!
