- 1/10 Spirit Friday
- 1/13 - 1/15 Kindergarten Registration
- 1/17 Spirit Friday
- 1/20 No School Martin Luther King Jr. Day

Fire Safety Poster Contest

On Tuesday, December 17th, Chief Motta presented our fire poster winners at CRS and LLE. The winners were presented with their certificates in front of their peers and parents. All of the children worked very hard and should be proud of their work.

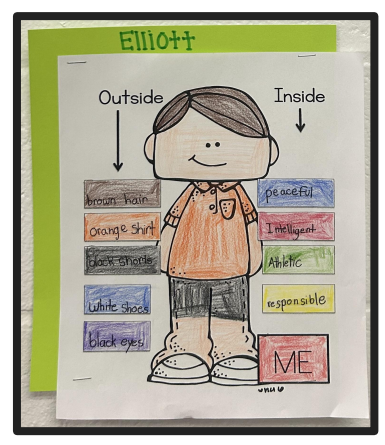

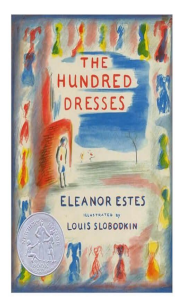

Congratulations to our winners!

Spotlight on 3rd Grade

Third graders have been working hard in all academic areas! We have been focusing on inferences and character traits in reading. The students are about to begin a new chapter book as a class, *The Hundred Dresses*. In writing, we have been working on opinion writing and deciphering between what is a fact vs. opinion. In math, we have been practicing our multiplication facts and are just beginning division!

Polar Express

On December 19th, the LLE library was transformed into a magical winter wonderland for a special Polar Express event. Our very own conductor brought the story to life with a captivating read-aloud, and the evening was made even more special with a surprise visit from Santa Claus himself! After the reading, families gathered in the cafeteria to enjoy delicious hot chocolate and snacks. A heartfelt thank you to Mrs. Konight and everyone who contributed to making this event a truly fun and memorable experience for all.

Dear CRS and LLE Families,

Happy New Year!

Please note the items below:

- **CRS Parents-Dismissal**-It is very important that all cars have the student name placard on their passenger side dashboard in order to run a smooth dismissal process. If you need another one please contact Mrs. Rraci in the main office
- **Preschool/Kindergarten Registration:**
 - **Preschool:** If you are interested in enrolling your child in the preschool program for the 2025-2026 school year please contact Mrs. Rraci at CRS at 201-768-6060 ext. 51535.
 - **Kindergarten:** This will take place from January 13th-January 15th. Please click [here](#) for more information.
- **Walking to and from School**-If your child walks to and/or from school, it is very important that you take time to speak to them about the safety protocols they should follow while walking. We want our students to be safe and make the right decisions. Please review the following protocols below:
 - Use the sidewalks where accessible
 - When crossing the street use the crosswalks and pay attention to the direction of the crossing guards
 - Make sure that your child walks directly to where they have to go whether it be home, a friend's house or if they are meeting you at a predetermined location
 - Never go anywhere with somebody that you don't know or don't trust
 - Stay away from strangers' cars and never talk to somebody you don't know
 - There should be no physical contact amongst students whatsoever
 - Do not push or touch one another even if it is for playful reasons
 - Contact while walking on the sidewalk can be very dangerous as you will be very close to the street
 - Objects such as sticks or rocks should never be picked up or thrown
 - Always be respectful of other peoples' property
 - Always refrain from using inappropriate language
- **MLK Day**-No School on 1/20

Stay warm and see you next year!

Sincerely,

Mr. Frank J. Mazzini

Principal
