### A note from the Principal

#### **Did you know that Havasupai is a Title 1 school?**

This means we receive federal grant money to support our students. Our goals include parent participation, two-way communication, and providing supports for students who struggle.

Recently, we inducted new members into NEHS. These 5<sup>th</sup> and 6<sup>th</sup> graders donate their time and effort to help their school and community by focusing on scholarship, responsibility, service and leadership. I was so impressed by parent participation in this event and want to thank you for supporting our students and encouraging their successes!

Thank you to all of the parents who participated in our Day of Awesomeness! This concluded our Step It Up! Fundraiser. We had an AMAZING response for this event, which raised \$4,981.50 for our school. These funds will help us purchase new benches for our gymnasium and an AED machine for the gym, ensuring the safety and well-being of our students and community.

Goooooo Coyotes! 😊
