Dress Code Reminder

As the days grow warmer, we'd like to remind families of the Evaline Elementary School dress code. Our goal is to maintain a safe, respectful, and focused learning environment for all students.

Students are expected to:

- Dress in a way that is appropriate for a school setting.
- Avoid clothing with logos or messages related to alcohol, drugs, or other inappropriate content.
- Wear clothing that fully covers the body. Items such as tube tops, low-cut shirts, short-shorts, spaghetti straps, or clothing that exposes the midriff or private areas are **not permitted**.
- Choose safe footwear. Flip-flops and high heels pose a risk on the playground and should **not** be worn to school.

If a student's attire does not meet these guidelines, they will be given an opportunity to make appropriate adjustments (e.g., wearing a sweatshirt). If no suitable clothing is available, we will contact home to have appropriate attire brought to school.

Thank you for helping us support a safe and respectful environment for all Evaline students!

TK and Kindergarten

Mrs. Tinnin

Kindergarten students are continuing to work with words that contain the silent "e." They are practicing the difference between words such as *tap/tape* to build fluency in both reading and writing. TK students are learning a variety of nursery rhymes and adding the finishing touches to their habitat books.

Kindergarten students are wrapping up our *Which One Doesn't Belong?* math activity, where students are thinking more deeply about why certain items may or may not belong in a group. TK students have also completed their math curriculum and are focusing on assessments and number games.

Please return any books borrowed from the classroom or school library as soon as possible. Thank you for helping us make sure all books are returned for other students to enjoy.

Our caterpillars have now grown to triple their original size and have changed into chrysalises!

First and Second Grade Explorers

Mrs. Mittge

We are wrapping up end-of-year assessments. Your children are such an impressive bunch of students. They have shown SO much growth! Students who read, minimize screen time, play outside and play games with their families are more likely to retain academic gains over the summer.

We are excited to display some of our growth and learning next Friday, June 5th in our classroom! We will be hosting a Student Showcase in our classroom from 11:00-11:30 am. Please come and check out the cool projects students have completed. Students are welcome to dress in colonial attire or red, white, and blue for the Student Showcase.

Please continue to search your homes and cars for Evaline and Mittge books and supplies.

Third and Fourth Grade Classroom

Mrs. Mars

Students have been working hard on their final projects. This year our school had decided to center our student showcase on America in honor of the 250th anniversary.

Our class has been researching the presidents, the branches of the government and doing a variety of art projects. These will be on display at our Student Showcase happening Friday June 5th after the awards assembly. Make sure to stop by and check out their amazing work.

Please take a good look at home and in the car for any library or classroom books.

Fifth and Sixth Grade Classroom

Mr. Burlingame

Graduation is quickly approaching! At the end of each year Evaline celebrates our kindergarten's first year of school and our 6th grader's last year of Evaline in a graduation ceremony. This year it will happen on Jun 11, 2026 at 6:30pm.

6th grade parents- We will be having our collage wall at graduation again. Please email electronic versions of pictures of your student as a baby, kindergarten age, and present age for inclusion on the wall. If you send a physical picture it will be damaged and I can not guarantee a return of the picture! Email them to sburlingame@evalinesd.k12.wa.us.

Thanks, and we'll see you on the 11th!
