## [Former Drug Dealers Testify of God's Transforming Power in Their Lives](#)

"For the longest time, I was in this never-ending cycle of drug addiction and alcoholism," Rich Wal told CBN News' Prayerlink. "I just couldn't seem to step out of it. I was living a life of complete and total failure and desperation. It was so, so, so, bad. It was to the point where you overdose multiple times and there are times that you are literally welcoming death."

## **A Power 88 listner writes**

I am blessed you took time to reach to me to offer a word of encouragement and hope.

I was born again in 1983, at the age of 33 years old. The longer I

know the Lord, the more I want to serve Him and share His truth. Goforth and Power 88 is a wonderful way for me to give a little to spread a lot of His light and truth, and good Christian music.

May God Bless us all in 2022 and the days and years ahead, amen! (R.C. Pensacola, Florida)

### **A note from engineering.....**

When the bible says, "Let your light shine in the world" Power 88 actually takes that phrase literally! Radio works like this. Electrons are sent to the tower from the transmitter equipment. As the electrons travel up the AM tower or up the FM antenna photons are knocked off and turned into waves which are essentially light! It's a form of light we can't see with our eyes. So RADIO is by definition letting the light shine!

A Canadian pastor has been arrested again just before he was set to speak to a group of Canadian truckers who have been protesting vaccine mandates at the U.S.-Canada border.

**If Christian radio has made a difference in your life** and you don't have a means of helping support the station financially, there are 2 other important things you can do: 1) Keep us in your prayers

that God may use this radio ministry for His glory and 2) Support business underwriters. **Thank them for supporting Christian radio and use their services when possible.**
