

STUDENT TRANSPORTATION IN PRIVATE VEHICLES

The Jefferson Davis Parish School Board recognizes that there are times in which private vehicles need to be and are used to transport students to and from school sponsored events. The School Board directs that such transportation services shall only be utilized as authorized by the principal. Otherwise, proper student transportation, i.e., Board owned or operated vehicles, shall be used.

Whenever possible, private vehicles shall be chosen well in advance of the anticipated usage, and the School Board shall require the school to inform the owner of the private vehicle of insurance coverage responsibility.

Personal vehicles must have insurance of \$100,000 in coverage for bodily injury liability per person, \$300,000 for bodily injury liability per accident, and \$50,000 for property damage liability, or \$300,000 single limit coverage, and the insured must provide a copy of the declaration page of the insurance and expiration date.
