

**SUMTER COUNTY PRIMARY SCHOOL'S
TESTING WORKSHOP
GEORGIA KINDERGARTEN INVENTORY
OF DEVELOPING SKILLS 2.0 & STAR
TESTING FOR K & 1ST GRADE**

When: Tuesday, November 15, 2022

Time: 10:30 A.M.

Where: SCPS's Media Center

Please join Sumter County Primary to learn about the assessments given at our school. Here at SCPS students are administered The Georgia Kindergarten Inventory of Developing Skills (GKIDS) and Star Testing.

We will share why students take these tests and why they are important. In addition, you will participate in activities that you can use at home that may help build your child's skills and succeed on the test.

Our SCPS teachers will lead small groups on how to interpret testing results.
