

**MOUNTAIN VISTA**  
**K-8 School**

## **Tax Credit Donations & School CTDS Numbers**

The Arizona Department of Revenue provides the following information regarding tax credit donations and school identification:

### ***What is the Arizona Public School CTDS Code?***

*The Arizona Department of Education uses a coding system (CTDS) to identify Arizona public and charter schools.*

*CTDS is a nine-digit (9) number and stands for County Code, Type Code, and District Code & Site Number.*

To claim Arizona's tax credit for contributions or certain fees paid to a qualifying public school, you must enter the CTDS Code in column (a) of the tax credit form for the school to which you or your spouse made a qualifying cash contribution or payment.

The CTDS for Mountain Vista School in the Oracle School District is 110302102.

**Thank you for supporting Mountain Vista K-8 School!**  
**Your contribution is greatly appreciated.**
