

VIRTUAL LEARNING DAY

BINGO CHALLENGE

Welcome to our Virtual Learning Day BINGO Challenge!

Today, we're blending fun and learning with a BINGO game that covers a variety of subjects and activities. Complete as many of the activities listed on the BINGO card below, and don't forget to share your excitement with us!

How to Play:

1. View the BINGO card:

- The BINGO card will be provided by your child's teacher and on our website.
- Each square features a different activity related to math, reading, science, physical activity, art, and social-emotional skills.

2. Complete the Activities:

- Choose an activity from the BINGO card and complete it. For example, you might play a board game, read a chapter from a book, or create a piece of art.
- Try to complete as many activities as you can to fill in the BINGO card. You can mark off squares as you go.

3. Document Your Fun:

- Take pictures of your student participating in each activity. Whether they're completing a math task, drawing a picture, or taking a dance break, we want to see it!

4. Share and Tag:

- Post the pictures on social media.
- Tag our school's official account @HutchensElementary and use the hashtag #ourHUT and #GrowingGreatness to make sure we see your amazing efforts and share the fun with our community!

5. Return your card:

- Return your BINGO card to your teacher the next day. Each bingo will receive a prize.

Extra Tips:

- **Be Creative:** Feel free to put your own spin on the activities.
- **Involve the Family:** Get family members involved to make it more fun.
- **Stay Safe:** Make sure all activities are done safely.

We can't wait to see all the wonderful things you do today. Have fun, stay engaged, and let's make this Virtual Learning Day a memorable one!

Happy BINGOing!

VIRTUAL LEARNING DAY

BINGO CHALLENGE

SECOND GRADE

Get ready for a fun-filled day with our Virtual Learning Day BINGO! Complete activities from the BINGO card in subjects like math, reading, science, art, physical activity, and social-emotional skills. Complete activities and mark off the squares.
