

# 7th Grade Newsletter

## Week of October 14th, 2025

### Mathematics

**Mrs. Jarrett**

[mjarrett@rappahannockschools.us](mailto:mjarrett@rappahannockschools.us)

Blocks 1 & 3 - We are wrapping up our unit on Simplifying and Evaluating Expressions this week with a Unit Test. We will then begin on two-step linear equations.

Block 2 - We are wrapping our unit on writing and solving 2-step equations and inequalities with one variable with a Unit Test. Our next unit is on Proportional Relationships.

Please do not hesitate to email me with any questions, comments or concerns.

### Science

**Mrs. Cubbage**

[bcubbage@rappahannockschools.us](mailto:bcubbage@rappahannockschools.us)

This week students will dive into **Passive Transport** to understand how materials move in and out of cells without using energy. We'll also compare and contrast **Prokaryotic and Eukaryotic cells**, exploring their similarities and differences to build a stronger understanding of how living things are organized.

Please reach out to me via email if you have any questions or concerns!

### Language Arts

**Ms. McCabe**

[emccabe@rappahannockschools.us](mailto:emccabe@rappahannockschools.us)

We will wrap up our unit on narrative fiction and non-fiction, story elements and author's organization with a unit test this week.

Please let me know if you need assistance choosing a book for your child.

Please email me with questions or concerns.

### Reminder

**Report Cards go home October 24th.**

**Students need a book for independent reading each day.**
