**Wocekiye':** Richie Meyers

Exceptional Ed. Director Deb Cross have her report saying that she had been getting all the IEP's up to date and students enrolled in the program. They have 44 students. She indicated that a certified teacher is still needed in this department.

Middle/High School Principal James Bagwell reported that the AWARE program pertaining to the Buffalo Kill went awesome and very meaningful. Nov. 13-17 is National Ed. Week and the student council have some activities lined up for that. He also stated that the BARR representatives were here (11-8-23) and enjoyed the partaking of the Buffalo Kill and that the school was doing great with this program. James added that a hall monitor was needed for classes in their passing times.

Elementary principal Amelia Black Bear indicated that the BARR representatives also informed her of a job well done. Peaceful Means have been coming weekly and the students seems to be enjoying it. The events of students going to the Pumpkin Patch, the Homecoming Parade, the Halloween carnival, class parties were all enjoyed by the students and families. Elementary attendance has been down, perhaps from COVID. On Nov. 17<sup>th</sup> they are planning an Incentive day. Counseling has been provided for the students that were involved in the mishap of the Homecoming Parade.

School Improvement/Student Success Director Jodi Stoddard gave her report saying that Tela Health is going well but the students would like a real person here, stating that the students needs are all different.

She has 4 staff that are readily available for students. She has made out a schedule for her staff so others know when the are available. There are some students wanting to take the CAN classes and they will work with the Kadoka nursing home on this.
