What's Going On:

Language Arts-We will focus on building relationships, values, and social skills, as well as, comprehension skills. Our focus for this week is as follows: procedures, hearing and discussing a story, and identifying who is telling the story. We will also work on hearing a story again to build comprehension, answering questions to understand key details, story message, and making text-to-self and text to text connections. We will begin reading fables.

English- This week we will introduce plural nouns. We will continue to practice using nouns in our writing.

Math: We will work on identifying numbers, number words, and representing numbers 1-30. We will also relate counting to adding/subtracting, and word problems.

Writing: Generate "I want to be" sentences, hear and discuss story, write and illustrate, write freely.

Happy Birthday
