CHOOSE LAKE WALES CHARTER

Lake Wales Charter Schools, we encourage innovation, and strong professional development to support you from a beginning teacher to a polished professional who will in turn support other beginning teachers along the way. Strong support is given to our teaching staff and two-way communication and frequent feedback are given to continually build a support system that is ongoing, collaborative, and supportive. The Superintendent's Teacher Advisory Council is a strong voice for our teachers. We are committed to recruiting and retaining certified experts who will make a real difference in the lives of our children. Choose Lake Wales Charter where we are champions for children.
