# Adventure Awaits

## IN THE GREAT OUTDOORS

PTO is excited to kick off our latest Fun Run this week to raise funds for needed outdoor playground equipment. Students will have a fun eight days of adventure themed interactive games, trivia, and contests, along with chances to win outdoor prizes for themselves and their class. The run will be on March 30th on the paved walking path that was built with the funds students raised last year. You can help us reach our 2023 goal of \$25,000 by registering your student at MyBooster.com! Thank you to the Rappahannock Community for supporting our local public schools!
