

Odem Junior High Newsletter

Principal's Notes:

Odem Junior High has been studying really hard and getting ready for the STAAR tests coming up. Our 7th and 8th graders have started their Softball and Baseball season already! We are proud of our students and how far they have come, we are super excited to start a new 6 weeks. OJH Band is going to UIL on April 19th in Sinton they are thrilled and can't wait. Our 6th graders can't wait to head to 7th grade they are ready to start their athletic journey. Meanwhile our staff is preparing our students and giving them confidence for the STAAR tests coming up! We still can't believe this school year is about to end and we are excited to see the upcoming 6th graders!
