

Local Educational Agency Guidance for Chapter 27 Emergency Virtual or Remote Instruction Programs for the 2022-2023 School Year

The New Jersey Department of Education (Department) remains at the ready to assist every local educational agency (LEA) in returning to full-time, in-person instruction for school year (SY) 2022-2023. This includes providing LEAs with guidance in the event of declared emergencies resulting in a district-wide closure. The Department appreciates the challenges that LEAs had to overcome during the 2021-2022 SY as LEAs faced a myriad of decisions affecting both the safety of their students and staff as well as the instructional experience. The Department is encouraging LEAs to reflect upon their experiences with virtual and remote instruction when planning for the 2022-2023 SY.

In April 2020, Governor Murphy issued an executive order that became P.L.2020, c.27. This law provides for the continuity of instruction in the event of a public-health related district closure so that LEAs can utilize virtual or remote instruction to satisfy the 180-day requirement pursuant to N.J.S.A. 18A:7F-9. In order to provide transparency and ensure that New Jersey students continue to receive high quality, standards-based instruction, each school district, charter school, renaissance school project and Approved Private School for Students with Disabilities (APSSDs) must annually submit its proposed program for virtual or remote instruction (Plan) to the New Jersey Commissioner of Education. This plan would be implemented during an LEA closure lasting more than three consecutive school days due to a declared state of emergency, declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure. A chief school administrator or lead person must consult with the board of education or board of trustees, if practicable, prior to implementing the LEA's plan of virtual or remote instruction. A day of virtual or remote instruction, if instituted under a plan approved by the New Jersey Commissioner of Education, is considered the equivalent of a full day of school attendance for the purposes of meeting State and local graduation requirements, awarding of course credit, and other such matters as determined by the New Jersey Commissioner of Education.

LEAs must include the statutory and regulatory requirements listed in the "LEA Guidance for Chapter 27 Emergency Virtual or Remote Instruction Programs for the 2022-2023 SY," in plans for virtual or remote instruction for the 2022-2023 school year. The 2022-2023 SY plans must be approved by the board of education of board of trustees (board) of each LEA and approved by the respective County Office of Education before being posted predominately on the LEA's website. **The board-approved plan and checklist are due to the respective County Office of Education no later than September 30, 2022.** In the event that the LEA is directed by a public health agency or officer to provide virtual or remote instruction before garnering County Office of Education approval of the Plan, the approval date will be retroactive. Questions should be directed to the County Office of Education.

Local Education Agency Guidance for Virtual or Remote Instruction Plan Attestation for the 2022-2023 SY

The New Jersey Department of Education (Department) is providing the following guidance pursuant to *N.J.S.A.* 18A:7F-9(c) and *N.J.A.C.* 6A:32-13.1 and 13.2, to assist LEAs in the development of their 2022-2023 virtual or remote instruction plans. The Department encourages LEAs to reflect on the previous school year to enhance elements of the prior year's plan to provide the most substantive education, and including, but not limited to, related services, for all students in the event of an LEA closure.

For each of the areas below, the chief school administrator or lead person will either mark "yes," confirming that the information is in the Plan and list the corresponding Plan page number, or mark "no" if the information is not contained in the Plan. The chief school administrator or lead person is expected to provide an explanation to the County Office of Education for all areas marked "no."

By September 30, 2022, the chief school administrator or lead person must submit a board-approved LEA Guidance for Virtual or Remote Instruction Plan for 2022-2023 SY along with this form to their county office of education. At the time of submission to the county office of education, the plan must be posted on the LEA's website. Plans will be reviewed in each county office of education on a rolling basis with an electronic response communicated within two business days of receipt.
