In 1865, the law was amended to create the office of County Superintendent of Schools.

- Tenure of four years.
- Required to visit each of the schools in the county as least once every year.
- For such a service he was paid \$3 per day.
- Because the amount caused a financial loss for the superintendents their compensation was raised to \$5 per day in 1867.

Effective Date: July 1, 2022

- In 1973, the 102 offices of the county superintendents in Illinois, saw their numbers reduced to 78 and became Regional Superintendents.
- In 1977, further consolidation of smaller counties reduced the number of offices to 57.
- In 1994, legislation was passed that eliminated the office of the Regional Superintendent in Cook County as of June 30, 1994. Subsequent law allowed for its reinstatement on August 7, 1995.
- In 1995, the 57 Educational Service Regions were reduced to 45, and the services of the 14 Educational Service Centers were included with the other services offered by these Regional Offices of Education.
- In 2010, the office of the Suburban Cook ROE #14 was eliminated and its duties and responsibilities were transferred to the 3 Intermediate Service Centers in the area.
- In 2011, the Intermediate Service Centers in Suburban Cook County were afforded full membership status in the Illinois Association of Regional Superintendents of schools.
- In 2012, legislation was passed to reduce the number of Regional offices in the state from 44 to 35 by setting a minimum number of 61,000 residents in each office.
- Law stated that county boards would pass resolution to consolidate.
- Henderson, Mercer and Warren Counties worked with Knox County to create resolution to bring the four counties together
- Knox county has the most change moving from a single County ROE to a multi-county ROE.
- Typically, in a multi-county ROE county boards fund the ROE based on a specific funding formula according to EAV of the county

ROE POLICIES

EQUAL EMPLOYMENT OPPORTUNITY

Henderson, Knox, Mercer, Warren Regional Office of Education #33 maintains a strong policy of equal employment opportunity. We ensure equal employment opportunity for all employees and applicants for employment. We hire, train, promote, and compensate employees on the basis of personal competence and potential for advancement without regard for race, color, religion, sex, sexual orientation, national origin, age, mental/physical impairments, pregnancy, childbirth, or related medical conditions.

Our equal employment opportunity philosophy applies to all aspects of employment including recruiting, hiring, training, transfer, promotion, job benefits, educational assistance, and social and recreational activities.

EMPLOYMENT AT WILL

It is the policy of the ROE that all employees are "employed at will," and are subject to termination or may leave on their own will at any time, for any reason, with or without notice, and with or without cause. No ROE representative is authorized to modify this policy. Any statements contained in this manual or any other policies, procedures, terms or conditions of employment, may not modify this policy.

OPEN DOOR POLICY

It is our intent to administer all benefits and conditions of employment, such as those outlined in this handbook, in a fair and consistent manner. If at any time an employee doesn't feel this is being done, or has a suggestion or complaint, the employee is encouraged to review the issue with administration. We believe it is important that employees be able to discuss their concerns, suggestions, and opinions with administration.

ETHICS

Regional Office of Education #33 is committed to a quality business and reputation that values integrity, respect and truthfulness, and a strong commitment to the highest ethical standards. These principals apply to employee interactions with students, the employers that hire them, coworkers, vendors, government and regulatory agencies and the general public.

In dealing with ethical problems, employees are expected to use common sense and their best moral judgement. If an employee has an ethical question, the employee should contact his/her immediate supervisor or the Regional Superintendent. This policy may be modified or updated at any time.

The Regional Office of Education will abide by the State Official and Employees Ethics Act (Public Act 93-615 effective November 19, 2003, and the amendments made to the Act by Public Act 93-617, effective December 9, 2003). The Act, as amended, is a comprehensive revision of State statutes regulating ethical conduct, political activities and the making and acceptance of gifts. All Regional Office of Education #33 employees are subject to this Act.

FRAUD/WHISTLEBLOWER POLICY

Purpose of Policy

The purpose of this policy is to establish certain principles and expectations for the ROE in order to prevent fraud, to investigate fraud and to provide consequences for engaging in any manner of fraud and to heighten awareness of possible fraud. The ROE will not tolerate fraud or the concealment of fraud. This policy is intended to promote consistent organizational behavior by providing guidelines and assigning responsibility for the development of controls and conduct of investigations.

Scope of Policy

This policy applies to any irregularity, suspected or observed, involving any employee of the ROE, vendors, contractors, volunteers, outside agencies doing business with the ROE and any other persons or parties in a position to commit fraud on the ROE. Any investigation required shall be conducted without regard to the suspected wrongdoer's length of service, position/title, or relationship with the ROE.

Policy

The Regional Superintendent of Schools is responsible for the detection and prevention of fraud, misappropriations, and other irregularities. Fraud includes, but is not limited to, knowingly misrepresenting the truth or concealment of a material fact in order to benefit personally, or to create a benefit for a family member/friend, or to induce another to act to his or her detriment. Each Department Head will be familiar with the types of improprieties that might occur within his or her area of responsibility and be alert for any indication of irregularity.

Any irregularity that is detected or suspected must be reported immediately to the Regional Superintendent of Schools, and the Regional Superintendent of Schools will coordinate all investigations with the State's Attorney and other affected areas, both internal and external.

Actions Constituting Fraud

Actions constituting fraud include, but are not limited to, the following:

- Falsifying, or unauthorized altering of ROE documents, including but not limited to:

- Causing the ROE to pay excessive prices or fees where justification is not documented.

Effective Date: July 1, 2022

Investigation Responsibilities

The Regional Superintendent of Schools, in consultation with the State's Attorney, has the primary responsibility for overseeing the investigation of all suspected fraudulent acts as defined in the Policy. If the investigation substantiates that fraudulent activities have occurred, the Regional Superintendent of Schools will issue reports to appropriate designated personnel.

Decisions to prosecute or refer the examination results to the appropriate law enforcement and/or regulatory agencies for independent investigation will be made in conjunction with the State's Attorney and the Regional Superintendent of Schools, as will final decisions on disposition of the case. When an investigation is conducted concerning complaints or charges against an employee, the employee shall be accorded ethical treatment, due process of law, and shall be offered fair and impartial consideration. All ROE employees shall cooperate fully with appropriate authorities who are conducting investigations into employee conduct.

Confidentiality

The Regional Superintendent of Schools treats all information received confidentially. Investigation results will not be disclosed or discussed with anyone other than those who have a legitimate need to know and as may be required by law. This is important in order to avoid damaging the reputations of persons suspected unfairly of such conduct and to protect the ROE from potential civil liability.

Authorization for Investigating Suspected Fraud

The Regional Superintendent of Schools, in consultation with the State's Attorney, will have free and unrestricted access to all ROE records and premises, whether owned or rented; and/or the authority to examine, copy, and/or remove all or any portion of the contents of files, desks, cabinets, and other storage facilities on the premises, in cases of suspected fraud or official misconduct.

Reporting Procedures

Great care must be taken in the investigation of suspected improprieties or irregularities so as to avoid mistaken accusations or alerting suspected individuals that an investigation is under way until the appropriate time.

An employee who discovers or suspects fraudulent activity will contact the Regional Superintendent of Schools immediately. Every effort will be made to keep the employee or other complainant anonymous. All inquiries concerning the activity under investigation from the suspected individual, his or her attorney or representative, or any other inquirer should be directed to the State's Attorney. No information concerning the status of an investigation will be given out. The proper response to any inquiries is "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the crime," "the forgery," "the misappropriation," or any other specific reference.

The reporting individual should be instructed not to contact the suspected individual in an effort to determine facts or demand restitution, or discuss the case, facts, suspicions, or allegations with anyone unless specifically asked to do so by the State's Attorney or the Regional Superintendent of Schools.

Termination

If an investigation results in a recommendation to terminate an individual, the recommendation should be reviewed for approval by the Personnel Committee and the State's Attorney and, if necessary, by outside counsel, before any action is taken. The decision to terminate an employee is made by the elected or appointed official, in consultation with the Regional Superintendent of Schools.

Protection of Reporting Person

No ROE employee shall be dismissed, disciplined, or suffer an adverse personnel action for disclosing information pursuant to the provisions of this policy. Neither the ROE nor the elected or appointed official shall take any adverse action that affects the rights or interests of a person in retaliation for the person's disclosure of information under this policy. The provisions and protections of this policy shall not be applicable when an employee discloses information which the employee either knows, or reasonably should know, is false information.

Administration

The Regional Superintendent of Schools is responsible for the administration, revision, interpretation, and application of this policy.

ADVERTISING AND DISTRIBUTING MATERIALS

No material or literature shall be posted or distributed that would: (1) disrupt the ROE service, (2) violate the rights or invade the privacy of others, (3) infringe on a trademark or copyright, or (4) be defamatory, obscene, vulgar, or indecent. No material, literature, or advertisement shall be posted or distributed without advance approval from administration.

RESPONSIBILITIES CONCERNING INTERNAL INFORMATION

Employees are responsible for maintaining: (1) the integrity and security of all internal information, and (2) the privacy of confidential records, including but not limited to: student records and personnel records. Internal information is any information, oral or recorded in electronic or paper format, maintained by the ROE or used by the ROE or its employees. The Regional Superintendent or designee shall manage procedures for safeguarding the integrity, security, and, as appropriate, confidentiality of internal information.

PREGNANCY RIGHTS POLICY

In accordance with the Illinois Human Rights Act (775 ILCS 5/1 et seq.), the ROE will provide reasonable accommodations to employees affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth.

No employee or applicant will be discriminated or retaliated against because of pregnancy or because the employee requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act.

Effective Date: July 1, 2022

Employees affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth have the following rights:

- Ask your employer for a reasonable accommodation for your pregnancy, such as more frequent bathroom breaks, assistance with heavy work, a private space for expressing milk, or time off to recover from your pregnancy.
- Reject an accommodation offered by your employer for your pregnancy that you do not desire.
- Continue working during your pregnancy if a reasonable accommodation is available which would allow you to continue performing your job.

It is the employee's responsibility to make the request for an accommodation. If the requested accommodation imposes an undue hardship on the ordinary operation of the ROE, the ROE has the right to deny the requested accommodation. As part of this review process, the ROE may ask the employee to provide the following documentation from the employee's healthcare provider:

- (i) The need or medical justification for the requested accommodation;
- (ii) A description of the reasonable accommodation medically advisable;
- (iii) The date the reasonable accommodation became medically advisable; and
- (iv) The probable duration of the reasonable accommodation.

It is the employee's responsibility to submit to the employer any documentation that is requested in accordance with this section.

If you have any questions regarding this policy, please contact your supervisor.

ALCOHOL AND DRUG ABUSE POLICY

Henderson, Knox, Mercer, Warren Regional Office of Education #33 recognizes the problem of controlled substance, cannabis, and alcohol abuse in society, while also realizing that controlled substance, cannabis, and alcohol dependency and abuse can be treated and controlled. Our ROE strives to provide for the safety and security of its employees. To this end, the purpose of this policy is to provide a work environment that is free of controlled substance, cannabis, and alcohol abuse.

The ROE has set requirements and has established restrictions on the use, sale and possession of controlled substances, cannabis, and alcohol; and has identified circumstances for substance abuse testing. The ROE maintains a Zero Tolerance policy while on-site, on-duty, and on-call. These are outlined below:

For the purpose of this policy, the following are defined as:

“Cannabis” means a marijuana, hashish, and any other substances that are identified as including any parts of the plant. This included cannabis, cannabis concentrate, medical cannabis, and any cannabis infused products, including CBD and THC infused. For further definitions of what this includes, refer to the Cannabis Regulation and Tax Act: Public Act 101-0027.

Effective Date: July 1, 2022

"Controlled Substance" means (i) a drug, substance, immediate precursor, or synthetic drug in the Schedules of Article II of the Controlled Substances Act or (ii) a drug or other substance, or immediate precursor, designated as a controlled substance by the Department through administrative rule. For further definitions of what this includes, refer to the Illinois Controlled Substances Act 720 ILCS 570.

"Alcohol" means the product of distillation of any fermented liquid, whether rectified or diluted, whatever may be the origin thereof, and includes synthetic ethyl alcohol. For further definitions of what this includes, refer to the Liquor Control Act of 1934 235 ILCS 5.

USE, SALE, POSSESSION, DISTRIBUTION AND TRANSPORTATION

In keeping with the ROE's objective to provide a safe and healthful work environment:

- The use, sale, possession, distribution or transportation of controlled substances, cannabis, or alcohol while on ROE property or ROE business is strictly prohibited and may result in discipline up to and including termination of employment.
- Controlled Substances, cannabis, and alcohol may not be bought, sold or consumed on any ROE-owned or leased property (including vehicles, parking lots, and job-sites). Employees are prohibited from consuming controlled substances, alcohol, and cannabis while on work time, including during meal periods and breaks.
- Employees will not be permitted to work while under the influence of alcohol, cannabis, or other controlled substances.
- Employees will not be permitted to work with a detectable level of prohibited substances in their systems. Prohibited substances include both controlled substances and prescription drugs that have not been specifically prescribed by a registered physician for specific treatment purposes for the employee. Any employee who is using prescription or over-the-counter drugs that may impair the employee's ability to safely perform the job, or affect the safety or well being of others, must notify a supervisor of such use immediately before starting or resuming work. While the ROE has no intention of intruding into the private lives of its employees, we do require all employees to report to work in a condition that allows them to perform their duties and not impair the safety of fellow employees. Individuals who appear to be unfit for work may be subject to a fitness-for-duty examination at a designated medical facility, shall be subject to random drug, cannabis, and alcohol testing, and shall be subject to discipline up to and including discharge.
- Any employee who is designated as "on-call" will not be permitted to be under the influence of alcohol, cannabis, or with a detectable level of controlled substances in their system. An employee is designated as "on-call" if they have been given a 24-hour notice to be on standby or otherwise responsible for performing task related to his or her employment either at the employer's premises or other previously designated location to perform a work-related task.
- Any employee who is involved with on-the-job or off-the-job controlled substance use, sale, possession, dispensation, unlawful manufacture, transportation, or distribution may be considered in violation of this policy. In deciding what action to take, the ROE will take into consideration the nature of the charges including arrest, conviction, plea bargains and employee's assignment and record with the ROE. In

Effective Date: July 1, 2022

addition, the ROE will consider any adverse effect the employee's actions may have on its clients, other employees, the public, or the ROE's reputation and image.

- The ROE does not intend to authorize indiscriminate searches of lockers, desks or personal effects on the ROE's property, but we do reserve the right to authorize searches for controlled substances, cannabis, alcohol, or contraband.
- Employees in jobs designated as "safety-sensitive" who are undergoing prescribed medical treatment with a controlled substance (including medical cannabis) must report this fact to their supervisor. This information will be handled on a very confidential basis, but it is important for the ROE to know treatment is occurring. A determination will be made if the employee's assignment is temporarily affected; the employee's job will not be jeopardized.
- An employee must report any criminal conviction for manufacturing, distributing, dispensing, possessing, and using controlled substances to the employer.

SUBSTANCE TESTING

To support the objective of a drug, cannabis, and alcohol-free workplace, testing for drugs, cannabis, & chemical substances may be required under the following circumstances:

(1) PRE-EMPLOYMENT

Pre-employment testing may be a part of the employment process. Upon an offer of employment, a test may be required for all final candidates, and no applicant-testing positive for controlled substances will be employed. Applicants testing positive for cannabis or alcohol will be subject to the limits set forth in Section 11-501 or 11-502.1 of the Illinois Vehicle Code. Applicants who exceed the THC presence permissible under the Illinois Vehicle Code may not be approved for employment based on test results. Applications whose jobs require them to comply with federal DOT regulations or contract requirements may be subject to pre-employment testing and may not be approved for employment based on test results. This includes all employment and re-employment, whether for temporary, part-time or full-time positions.

(2) POST ACCIDENT

After a work-related accident where judgment, coordination or physical or mental ability may have been impaired. Testing is required after an injury resulting in medical treatment or lost time or for an employee whose behavior raises a reasonable suspicion of controlled substance, cannabis, or alcohol use (Testing is also required for an employee, who causes injury to another person, and may not have caused injury to themselves). A test will also be required after a vehicle accident as defined by the ROE's administration.

(3) REASONABLE SUSPICION

Employees may be required to submit to drug, cannabis, and alcohol testing whenever Henderson, Knox, Mercer, Warren Regional Office of Education #33 has a good faith belief that an employee has violated any of the rules set forth in this policy. An employer has a "good faith belief" if an employee manifests specific, articulable symptoms while at work, performing job duties, or while on call that decrease or lessen the employee's performance of the duties or tasks of the employee's job position. Employees are subject to testing based on (but not limited to) observations by at least two members of administration of apparent workplace use, possession or impairment. Administration should be consulted before sending an employee for testing. Administration must use the Reasonable Suspicion Observation Checklist to document specific

Effective Date: July 1, 2022

observations and behaviors that create a reasonable suspicion that an employee is under the influence of controlled substances, cannabis, or alcohol. Reasonable suspicion may arise from, among other factors,

- Movements (unsteady, fidgety, dizzy).
- Eyes (dilated, constricted or watery eyes, or involuntary eye movements).
- Face (flushed, sweating, confused or blank look).
- Speech (slurred, slow, distracted mid-thought, inability to verbalize thoughts).
- Emotions (argumentative, agitated, irritable, drowsy).
- Actions (yawning, twitching).
- Inactions (sleeping, unconscious, no reaction to questions).

(4) PERIODIC OR RANDOM

On an unannounced and random basis. Random tests may be more frequent for those working in a safety sensitive position, however all positions may be subject to random testing.

Notification of Impairment

It shall be the responsibility of each employee who observes or has knowledge of another employee in a condition that impairs the employee in the performance of job duties, or who presents a hazard to the safety and welfare of others, or is otherwise in violation of this policy, to promptly report that fact to the employee's immediate supervisor. All reports will be taken seriously. Persons submitting false reports are subject to discipline up to and including termination.

SUMMARY

While we hope that the ROE will never have to address controlled substance, cannabis, or alcohol abuse with any employee, it is only fair that every employee understands the consequences of violating this policy. Working under the influence of controlled substances, cannabis, or alcohol, as indicated by test results or other evidence, and violation of other provisions of this policy will result in disciplinary action, up to and including discharge - even for the first offense. In regard to cannabis testing, employees will be given a reasonable opportunity to contest the basis of the test results. If an employee plans to contest the determination, an appeal must be submitted to Administration within seven (7) calendar days of the employee being informed of the determination. In addition, refusal to participate in any part of the program can be considered an act of insubordination and may also lead to disciplinary action, up to and including discharge.

Nothing contained in this policy is intended to discriminate based on: race, sex, sexual orientation, religion, national origin, physical disability, color, age, genetics, protected veteran status, gender identity or expression, and any other characteristics protected by federal, state, and local law.

HARASSMENT

It is the policy of Henderson, Knox, Mercer, Warren Regional Office of Education #33 to provide an environment free from harassment of any kind (including sexual harassment) and not tolerate verbal or physical conduct by any employee or individual, which harasses, disrupts, or

Effective Date: July 1, 2022

interferes with another's work performance or which creates an unsafe, intimidating, offensive, or hostile environment. Henderson, Knox, Mercer, Warren Regional Office of Education #33 is committed to maintaining a workplace where each employee's privacy and personal dignity are respected and protected from offensive or threatening behavior.

Sexual Harassment

Sexual harassment is defined as any use of one person's power and/or authority over another person to attempt to coerce a sexual relationship, or to subject a person to unwanted sexual attention, or to punish a refusal to comply, or to create a sexually intimidating, hostile or offensive working environment.

Sexual harassment is understood to include a wide range of behaviors, including but not limited to the actual coercing of sexual relations, verbal or physical sexual advances, sexually explicit or derogatory statements, and physical aggressiveness such as touching, pinching or patting. Such behavior may offend the aggrieved party, cause discomfort or humiliation and interfere with job performance.

Complaint Procedure:

1. Any harassment complaint by an employee should be communicated to the employee's supervisor. If the complaint happens to be against the employee's supervisor, the complaint should be communicated to the Regional Superintendent. At the time of notification, the employee will be asked to complete a written complaint noting the details of the alleged incident(s).
2. The Regional Superintendent and/or designee will investigate all harassment complaints. This may include, but is not limited to, interviewing the complaining party, supervisors and any other personnel, as required, to obtain sufficient, factual information upon which to make a determination.
3. If, at the conclusion of the investigation, it is found that harassment, in fact, has occurred, disciplinary action up to and including termination may be imposed.

Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program.

The Program will:

1. Educate students with:

Effective Date: July 1, 2022

- a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, Curriculum Content;
 - b. Information in policy 7:250, Student Support Services, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children’s Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:
 - a. A definition of prohibited grooming behaviors and boundary violations pursuant to policy 5:120, Employee Ethics; Conduct; and Conflict of Interest;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; 5:90, Abused and Neglected Child Reporting; 5:100, Staff Development Program; and 5:120, Employee Ethics; Conduct; and Conflict of Interest; and
 - c. How to report child sexual abuse, grooming behaviors, and/or boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; and 5:90, Abused and Neglected Child Reporting.
3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and boundary violations with evidence-informed educational information that also includes:
 - a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, Employee Ethics; Conduct; and Conflict of Interest, and how to prevent child sexual abuse from happening;
 - b. Methods for how to report child sexual abuse, grooming behaviors, and/or boundary violations to authorities; and
 - c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, Student Support Services.
 - d. Provide parents/guardians of students in any of grades K through 8 with not less than five days’ written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.

Title IX Complaint Procedure (Applicable to K-12 Students)

ROE Employee Reporting Obligations: Any District employee who witnesses or becomes aware of any sexual misconduct, sexual assault or sexual harassment, involving a K-12 student, have an affirmative obligation to report immediately to the District’s Title IX Coordinator or to their building principal or immediate supervisor. Failure to do so may result in disciplinary action against the employee, up to and including termination of employment.

Effective Date: July 1, 2022

Reporting to Law Enforcement: Because sexual misconduct, sexual assault or sexual harassment may constitute both a violation of District policy and criminal activity, individuals who have been subject to criminal sexual misconduct, sexual assault or sexual harassment may wish to report their concerns to law enforcement. An individual may proceed under this Policy whether or not they elect to report to law enforcement.

Reporting to the District: Any individual who wishes to make a report or file a formal complaint of sexual misconduct, sexual assault or sexual harassment may contact the District's Title IX Coordinator. Any individual who is subject to, witnesses, or becomes aware of alleged sexual harassment may also submit an anonymous report to:

Melinda Whiteman
Title IX Coordinator
105 North E Street
Monmouth, IL 61462
309-715-7311
mwhiteman@roe33.net

Retaliation Prohibited: Retaliation against a person who makes a report or complaint of sexual misconduct, sexual assault or sexual harassment, or who assists, or participates in any manner in an investigation or resolution of a sexual misconduct, sexual assault or sexual harassment report or complaint is strictly prohibited. Retaliation includes threats, coercion, discrimination, intimidation, reprisals, and/or adverse actions related to employment or education. Any individual who believes they have been retaliated against in violation of this Policy should immediately contact the District's Title IX Coordinator.

This Policy's anti-retaliation protections do not apply to any individual who makes a materially false statement in bad faith in the course of any complaint, investigation, hearing, or other proceeding under this Policy. However, a determination that an individual made a materially false statement in bad faith must be supported by some evidence other than the determination of whether the Respondent violated this Policy alone. An individual who makes a materially false statement in bad faith may be subject to discipline up to and including suspension or expulsion of a student or termination of an employee's employment.

Time Frames for Reporting and Response The District strongly encourages prompt reporting of complaints and information. While there is no time limit in invoking this Policy in responding to complaints of alleged sexual harassment, a complaint should be submitted as soon as possible after the event takes place in order to maximize the District's ability to respond promptly and equitably.

Each employee's computer has access to a ROE approved Anti-Virus program and each ROE location employees are responsible for downloading new virus updates when they become available as a virus deterrent mechanism. If an employee finds evidence of a virus, he or she should notify the sender of the e-mail, contact his supervisor immediately, and notify the systems/applications supervisor for verification and dissemination. If an employee should receive an e-mail warning of viruses, this warning should be forwarded to administration for verification and dissemination.

ADMINISTRATION'S RIGHT TO ACCESS INFORMATION

The e-mail system has been installed by Henderson, Knox, Mercer, Warren Regional Office of Education #33 to facilitate ROE communication. Although each employee has an individual password to access this system, it belongs to the ROE and the contents of e-mail communications are accessible at all times by administration for any ROE purpose. Employees are expected to protect the privacy of the ROE and its employees and clients and are prohibited from disclosing personal employee and nonemployee information and any other proprietary and nonpublic information to which employees have access. The ROE reserves the right to use content management tools to monitor, review or block content that violate company rules and guidelines.

EMPLOYMENT BACKGROUND SCREENING

It is the policy of Henderson, Knox, Mercer, Warren Regional Office of Education #33 to conduct pre-employment screening and credentials verification on applicants who are offered and accept an offer of employment. Employment background screens are conducted to ensure that individuals who join our ROE are qualified for the position as well as to ensure that our ROE maintains a safe and productive work environment free of any form of violence, harassment or misconduct.

An offer of employment is contingent upon the ROE's receipt of a pre-employment background screening investigation that is acceptable to our organization. Any applicant who refuses to sign the Authorization and Disclosure Form will not be eligible for employment.

All screenings are conducted in conformity with the Federal Fair Credit Reporting Act (FCRA), the Americans with Disabilities Act (ADA), and state and federal anti-discrimination and privacy laws. All reports will be kept confidential and viewed only by individuals of our ROE who have direct responsibility in the hiring process. In accordance with the Fair Credit Reporting Act, all background screens are conducted only after the applicant has received and signed an Authorization and Disclosure Form and Summary of Rights.

Our ROE reserves the right to conduct a background screen any time after the employee has been hired to determine eligibility for promotion, re-assignment, or retention in the same manner as described above.

Background checks may include verification of information provided on the application for employment, the applicant's resume, or on other forms used in the hiring process. Information to be verified includes, but is not limited to, Social Security Number, previous addresses, education, and employment background. The background check may also include a criminal record check. A criminal conviction does not automatically bar an applicant from employment. If a conviction is discovered, Henderson, Knox, Mercer, Warren Regional Office of Education #33 will review the conviction in accordance with the ROE's intent to provide a safe and profitable workplace. Before the employment decision is made, a determination will be made whether the conviction is related to the position for which the individual is applying, or would present safety or security risks, taking into account the nature and gravity of the act, the nature of the position, and age of the conviction.

In addition, a driving record and credit report check may be completed on applicants for particular job categories if appropriate and job-related.

Effective Date: July 1, 2022

Our ROE relies upon the accuracy of information contained in the employment application as well as the accuracy of other data presented throughout the hiring process and employment, including interviews. Any misrepresentations, falsifications, or material omissions in any of the information or data, no matter when discovered, may result in the firm's exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

SMOKING

In keeping with Henderson, Knox, Mercer, Warren Regional Office of Education #33's intent to provide a safe and healthful work environment and in compliance with the Smoke-Free Illinois Act, smoking and vaping is *prohibited* in all buildings, parking lots, vehicles used for ROE purposes, and any ROE property. Further, the use of tobacco is prohibited on ROE property and in vehicles on ROE property by any employee when such property is being used for any ROE purposes. "ROE purposes" include but are not limited to all events or activities or other use of ROE property that the Board or officials authorize or permit on ROE property. "Tobacco" shall mean cigarette, cigar, electronic cigarette, or tobacco in any other form, including smokeless tobacco which is any loose, cut, shredded, ground, powdered, compressed or leaf tobacco that is intended to be placed in the mouth without being smoked.

This policy applies equally to all employees, customers, and visitors.

CUSTOMER RELATIONS AND TELEPHONE CALLS

It is extremely important that our phones be kept clear for business calls. First impressions are very important and when answering the phone employees shall greet the caller. Expectation is to state your name and welcome them. Employees who answer the phone should do so promptly and in a businesslike manner.

CELLULAR PHONE POLICY

This policy outlines the use of personal cell phones at work, the personal use of business cell phones and the safe use of cell phones by employees while driving. This policy applies to phone calls, text messaging, pictures, etc.

Personal Cellular Phones

Excessive personal calls during the work day, regardless of the phone used, can interfere with employee productivity and be distracting to others. Employees are therefore asked to make any other personal calls on non-work time where possible and to ensure that friends and family members are aware of the ROE's policy. Flexibility will be provided in circumstances demanding immediate attention.

The ROE will not be liable for the loss of personal cellular phones brought into the workplace.

Safety Issues for Cellular Phone Use

Employees whose job responsibilities include regular or occasional driving and who utilize a cell phone for ROE business or personal use are expected to abide by Illinois

Effective Date: July 1, 2022

driving laws regarding cell phone while driving. Safety must come before all other concerns. It is illegal for drivers of vehicles to use a hand-held mobile device to talk or text while driving. Texting means manually entering alphanumeric text into, or reading text from, an electronic device. This includes, but is not limited to, short message service, e-mailing, instant messaging, a command or request to access a Web page, or pressing more than a single button to initiate or terminate a voice communication using a mobile phone. If the employee chooses to access his or her cell phone using a voice-activated or one-button touch feature, special care should be taken in situations where there is traffic, inclement weather, or the employee is driving in an unfamiliar area.

Employees who are charged with traffic violations resulting from the use of their phone while driving will be solely responsible for all liabilities that result from such actions. (Violations of this policy will be subject to discipline up to and including termination.)

APPEARANCE

We are a professional organization. Therefore, our image should be reflected in dress and manner. The dress code requires that during working hours all employees **dress professionally, business attire**, and be presentable to meet the public as representatives of the ROE. Good grooming and tasteful attire is essential. Styles, appearance, habits or other practices that are distracting or offensive to others should be avoided. Pins, buttons and decals of political, lewd or inflammatory nature should not be worn. Shorts or athletic shoes should not be worn at any time. Jeans may only be worn on Fridays under social committee rules. Social committee allows for jeans on Fridays if the staff member pays \$1 to the social committee. Jean Friday must still meet the professional dress code.

GIFTS AND GRATUITIES

While the intention should be warmly and gratefully acknowledged, acceptance of money, gifts, or similar tokens of thanks from vendors or customers for services rendered or merchandise purchased is prohibited by Henderson, Knox, Mercer, Warren Regional Office of Education #33. All samples, gifts, spiffs, purchases resulting in free goods or similar tokens received by or on behalf of Henderson, Knox, Mercer, Warren Regional Office of Education #33 are the property of Henderson, Knox, Mercer, Warren Regional Office of Education #33 all items shall be turned into the Regional Superintendent.

MEAL PERIODS

Employees scheduled to work more than seven and one-half hours in a day are provided with a meal period. Supervisors will schedule meal periods to accommodate operating requirements. Employees must take their 1 hour meal period unless program specifies differently or if approved by supervisor in advance. Employees will be relieved of all active responsibilities and restrictions during meal periods and will not be compensated for that time. Meal periods should be alternated among staff in order to have no lapse in services.

OUTSIDE EMPLOYMENT & EMPLOYEE PERSONAL PROJECTS

The purpose of this policy is to protect the ROE and fellow employees. Employees shall not undertake other employment in the same trade, industry, or any business activity that would interfere with their regular work. While you may do as you please outside of normal working

Effective Date: July 1, 2022

hours to augment your income, outside employment shall not be considered an excuse for poor job performance, absenteeism, tardiness, or refusal to work overtime.

The ROE forbids an employee from performing any work of the same nature as ours in our market area for any other individual ROE or for themselves. Violation of this offense shall be a reason for immediate termination of employment.

It will not be considered outside employment if the employee is working for himself personally or his immediate family (employee or spouse's mother or father, brother or sister, son or daughter) and is doing so with the knowledge and cooperation of administration.

VISITORS/ ADMISSION TO FACILITIES

All visitors must enter through the main office, and must receive permission from office administration to enter premises.

Employees shall enter the office only when they are there on ROE business. At other times, they must obtain permission from Regional Superintendent (No other friends, visitors, or family shall be allowed without administration permission). Regional Superintendent reserves the right to inspect all packages and containers entering or leaving the facilities.

ACCIDENT REPORTING

This policy shall apply to accidents and injuries. Employees must report to their supervisor immediately following any accident or injury. Employees must complete an injury report and maintain regular communication with the administration in regards to recovery from an accident including follow-up from doctor visits. Employees involved in a work-related, equipment or automobile accident shall be subject to alcohol/drug testing as specified in our ROE alcohol/drug testing program.

FRAUD, WASTE, AND ABUSE POLICY

PURPOSE

This policy applies to all Henderson, Knox, Mercer, Warren Regional Office of Education #33 (hereto referred to as ROE #33) board members, employees, and/or approved ROE #33 volunteers. This policy applies to any instance of fraud, waste, or abuse involving not only employees, but also external organizations doing business with ROE #33.

GENERAL PURPOSE OF POLICY

ROE #33 strictly prohibits the commission or concealment of acts of fraud, waste, or abuse. Any instance of such acts will be investigated and pursued to conclusion, including any employment or legal action where warranted. All board members, employees, and/or volunteers are responsible for reporting suspected instances of fraud, waste, and abuse in accordance with this Policy.

ROE #33 is responsible for the monitoring of its operations, including the protection of ROE #33 assets from fraud, waste, and abuse. ROE #33 Administration has the primary responsibility over the implementation of internal and external controls to identify and detect fraud.

Effective Date: July 1, 2022

The ROE #33 Auditor provides independent comprehensive audits and investigations to improve ROE #33's operations and contracts. The ROE #33 Auditor is responsible for assisting in the deterrence and detection of fraud, waste, and abuse for ROE #33 by examining and evaluating the adequacy and the effectiveness of ROE #33's systems of internal control, commensurate with the extent of the potential risk in the various segments of ROE #33's organization. The ROE #33 Auditor's primary responsibility is investigating any allegation of fraud, waste, and abuse; compliance and other violations are investigated by the appropriate officers of ROE #33.

To provide employees and clients with a confidential and secure means of reporting suspected fraud, waste, and abuse by ROE #33, the ROE #33 Board, and the ROE #33 Auditor have established a Fraud, Waste, and Abuse Referral System. See the below definitions of "fraud", "waste", and "abuse." "Waste" and "abuse" are not necessarily fraudulent acts; however, each situation will be reviewed independently to assess the circumstances of the situation and occurrence of events.

After an investigation, if it is found that fraud, waste and/or abuse has occurred, disciplinary action up to, and including, termination (for employees) may be imposed on the individual that committed fraud, waste and/or abuse against ROE #33. If the act is completed by an ROE #33 board member or volunteer, legal actions may be pursued.

CONFIDENTIALITY AND ANONYMITY

Through the ROE #33 Auditor, your anonymity is assured. When you report, please remember the following concerning confidentiality and anonymity:

- Even if you report anonymously, once the report has been filed and the investigation begins, your co-workers or others who are familiar with the situation you are reporting may still be able to guess your identity.
- Whether you report anonymously or not, the ROE #33 Auditor will treat your report with confidentiality.
- It is not possible to guarantee absolute confidentiality in all circumstances. Disclosure to others inside or outside of ROE #33 may be required by law in certain cases.

Please do not let these possibilities discourage you from reporting an incident.

WHISTLEBLOWER PROTECTION

Retaliation against an employee who in good faith filed a report of alleged fraud, waste, or abuse, or who participated in an investigation, in violation of this Policy. Such "whistleblower protection" is granted via Illinois State Law, under 740 ILCS 174.

DEFINITIONS

Waste

"Waste" means the needless or careless expenditure, consumption, mismanagement, use, or extravagant of resources owned or operated by ROE #33 to the disadvantage, or potential disadvantage, of ROE #33. Waste also includes incurring unnecessary costs because of inefficient or ineffective practices, systems, or controls. Waste does not necessarily involve private use or personal gain, but almost always signifies poor management decisions, practices, or controls.

Effective Date: July 1, 2022

Fraud

Fraud consists of a dishonest, deliberate, and illegal act (the intentional wrongdoing) that results in an employee gaining money, property, or an advantage that they would not normally be entitled to.

Legally, fraud can lead to a variety of criminal charges, including theft, embezzlement, and larceny – each with its own specific legal definition and required criteria – each of which can result in severe penalties and a criminal record.

Abuse

“Abuse” means the excessive, or improper, use of something, or the use of something in a manner contrary to the natural or legal rules for its use; the intentional destruction, diversion, manipulation, misapplication, maltreatment, or misuse of resources owned or operated by ROE #33; or extravagant or excessive use so as to abuse one’s position or authority. “Abuse” does not necessarily lead to an allegation of “fraud”, but it could.

Examples of fraud, waste, and abuse activities include, but are not limited to:

- Forgery or alteration of ROE #33 and/or employee records/documents
- Misrepresentation of information on documents
- Theft, unauthorized removal, or willful destruction of ROE #33 records, ROE #33 property, or the property of other persons (to include the property of employees, customers, or visitors).

RESPONSIBILITIES

Employees

Any ROE #33 employee who has knowledge of fraud, waste, or abuse, or who has good reason to suspect that such conduct has occurred, shall abide to the procedures in this Policy.

When an employee is made aware of suspected fraudulent activity, waste, or abuse, the employee shall immediately report the activity to his/her direct supervisor. If the employee

Effective Date: July 1, 2022

believes that the supervisor is involved with the activity, he/she shall immediately report the activity to the supervisor's manager and the ROE #33 Board. If the employee believes that the supervisor's manager and/or a board member may be involved with the activity, the employee shall either contact the ROE #33 Auditor directly or file a report online.

The employee reporting an allegation shall not make any attempt to investigate the suspected activity prior to reporting it. The ROE #33 Auditor will be the one to manage the investigation of any fraud, waste, or abuse allegations.

An employee shall not destroy, or allow anyone else to destroy, any documents or records of any kind that the employee knows may be relevant to a past, present, or future investigation of fraud, waste, or abuse.

Administration's Responsibilities

Once administration has been informed of suspected fraud, waste, or abuse (or if administration itself suspects fraud, waste, or abuse), administration shall either contact the ROE #33 Auditor directly or file a report online. See section of this Policy titled "How to File a Report."

ROE #33 Auditor's Responsibilities

The ROE #33 Auditor will receive all reports. The ROE #33 Auditor will also start and direct all investigations. When the ROE #33 Auditor receives a report from ROE #33, the Office will review the report and determine if it has any follow-up questions for the person who filed the report. The person filing the report may follow up on the status of the report by contacting the ROE #33 Auditor.

To the extent allowed by law, the ROE #33 Auditor (and any assistants working for the ROE #33 Auditor) will review pertinent information in a confidential and professional manner and will conduct a preliminary investigation of the alleged activity. The preliminary investigation may include employee interviews and analyses of available records. A full investigation will follow if evidence points to possible fraud, waste, and/or abuse.

ROE #33 should allow the ROE #33 Auditor unlimited and unrestricted access to all books, records, property (including desks and computers), and personnel during such investigations. Once an investigation is started, the ROE #33 Auditor will take immediate action to prevent the theft, alteration, or destruction of relevant records. Such actions may include, but are not limited to, limiting access to the location where the records currently exist, preventing the individual(s) who is(are) the subject of the investigation from having access to the records, and/or taking actual possession of such records.

Once the ROE #33 Auditor has sufficient evidence that there is indeed an unauthorized, illegal, irregular practice that could or has affected ROE #33, the ROE #33 Auditor is required under State Statute to report the matter to the State's Attorney. If it appears that the matter is criminal in nature, the ROE #33 Auditor will immediately report it to State's Attorney in addition to those previously cited. The ROE #33 Auditor and ROE #33's State's Attorney will then advise other departments/agencies as necessary (e.g., Police Department, Human Resources).

Employment Status

EMPLOYEE STATUS

FULL-TIME EMPLOYEE

An employee is classified as a full-time employee if hired to work 37.5 hours per week year round (12 months) and/or works at least 200 or more days per year. Full-time employees are eligible for certain organization benefits.

PART-TIME EMPLOYEE

An employee is classified as a part-time employee if hired to work less than 200 days per year. Part-time employees are not eligible for organization benefits including health insurance.

TEMPORARY EMPLOYEE

You are considered to be a temporary employee when you have been hired during periods of a heavy workload or for particular jobs. Temporary employees are not eligible for organization benefits.

WORK SCHEDULES

Work schedules for employees vary throughout our ROE. Supervisors will advise employees of their individual work schedules. Staffing needs and operational demands necessitate variations in starting and ending times, variations in scheduled shifts, as well as variations in the work hours that may be scheduled each day and week. All employees are expected to work when necessary to meet organization needs.

The ROE is committed to helping employees face the demands of juggling work, family, and personal obligations by offering flexible work arrangements. These arrangements provide employees with increased flexibility with their work schedule while allowing the ROE to maintain a progressive and productive work environment. An employee wishing to change or cancel an alternative work arrangement must obtain written approval from the employee's supervisor prior to changing their work schedule.

REPORTING ABSENCES & ATTENDANCE

To maintain a productive work environment, we expect employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the ROE. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they are required to notify their immediate supervisor at least one hour before they are scheduled to work, or earlier if possible.

Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including termination of employment. Absence of three working days without reporting will be considered a voluntary resignation.

SNOW DAYS/INCLEMENT WEATHER

The ROE office is open in inclement weather, employees must decide if travel conditions allow their safe travel to work. Employees who determine travel to be unsafe and take a "weather" day may use earned vacation time, sick time, or personal leave to make up the absence, provided such time is consistent with the ROE's operational needs. A per diem deduction of pay will take

Effective Date: July 1, 2022

place if the employee does not have accumulated personal leave, sick time or vacation time remaining.

EMPLOYMENT RECORD/ EMPLOYEE STATUS CHANGES

Any changes in name, address, phone numbers, marital status, and persons to be contacted in case of an emergency need to be turned into the Human Resources as soon as possible in order to keep your records current.

COMPENSATION POLICIES

Effective Date: July 1, 2022

PAYROLL PERIOD/TIMESHEETS/PAY DAY

All employees are paid semi-monthly on the 15th and 30th of each month. Each paycheck will include earnings for all work performed through the end of the previous payroll period. The work week is Monday through Sunday. If pay day falls on the weekend or a holiday, pay will be deposited on the workday prior to the weekend or holiday.

Employee's payroll earnings will be deposited directly into their checking or savings account as designated on the direct deposit form. Please note that the ROE deposits payroll earnings to our main bank, which is then deposited to employee's individual bank and then to the employee's account based on the schedule for posting at each local banking facility.

Accurately recording time worked is the responsibility of every non-exempt employee (Exempt employees will complete time summaries for grant/audit purposes only). When time and events must be entered on timesheets, they are to be entered at the exact time the event occurs, and not entered at the end of the workday or the following morning. Time is calculated using fifteen-minute intervals for payroll purposes. (For example, if an employee is scheduled to work at 8:00a.m. and arrives at 7:45a.m. it would be rounded forward to 8:00. In addition, if an employee is scheduled to work at 8:00a.m. and arrives at 8:15a.m. it would be rounded backward to 8:00a.m.) Employees should make every effort to arrive by the appointed time, constant tardiness will not be tolerated. Time worked is all the time actually spent on the job performing assigned duties. Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action up to and including termination of employment. Both the supervisor and the employee can be held responsible for any of these dishonest actions and may result in criminal prosecution.

The employee shall review and sign the time sheet and then the supervisor will review and sign the time sheet before submitting it to payroll for processing. In addition, if the employee makes corrections or modifications to the time record, the supervisor must verify the accuracy of the changes by initialing the time record.

OVERTIME

Employees are not to work any overtime unless pre-approved by the Regional Superintendent. Only when needs cannot be met during regular working hours, will the Regional Superintendent schedule additional hours. When possible, advance notification of overtime will be provided.

Overtime compensation is paid to all non-exempt employees in accordance with the following schedule:

- **One and one-half times regular pay for all hours worked over 40 in a workweek**

As required by law, overtime pay is based only on actual hours worked. Time off with pay, vacation, personal time, and holidays will not be considered hours worked for purposes of determining overtime calculations.

PAYROLL DEDUCTIONS

There are payroll deductions that are required by Federal & State regulation including Federal & State Income Tax, Social Security Tax, Medicare Taxes and Garnishments/Wage attachments. Also, in qualifying positions, IMRF and/or TRS must be withheld. Additionally, there may be

Effective Date: July 1, 2022

withholdings authorized by each employee for specific employee benefits including medical insurance, retirement plan contributions, etc. These withholdings will be included on each employee's pay-stub.

BUSINESS TRAVEL EXPENSES

Employees will not be compensated for travel time from home to work. The employee will be compensated for travel time from the office to the job site(s) and return. An employee must receive advance approval for any business travel.

Employee should contact their immediate supervisor for guidance and assistance on procedures related to travel arrangements, expense reports, reimbursement for specific expenses, or any other travel issues. Abuse of this policy, including falsifying expense reports to reflect costs not incurred by the employee, can be grounds for disciplinary action.

All full-time twelve (12) month employees will receive 17 paid holidays with the holiday schedule being determined annually by the Regional Superintendent. Other employees (including 200 day employees), do not receive paid holidays and shall work their regular scheduled days, with the holiday schedule being based on the school system that constitutes their primary assignment.

VACATION

The vacation period is based on a fiscal year, July 1st – June 30th. All full-time twelve (12) month employees shall receive vacation days based on years of service. The following schedule applies:

<u>Length of continuous service</u>	<u>Paid Vacation</u>

After Two (2) Fiscal Years	Ten (10) working days
After Eight (8) Fiscal Years	Fifteen (15) working days
After Twelve (12) Fiscal Years or more	Twenty (20) working days

The amount of vacation earned, prior to July 1st, will be the amount of available vacation days, which may be used the following year. (Ex.- Year 1 - an employee begins working on January 1st. On July 1st, the employee will have earned 2.5 days of vacation to be used next year. $182.5 \text{ days} / 365 \text{ days in year} = .5 * 5 = 2.5 \text{ days vacation}$)

Vacation is not to be taken in more than two consecutive weeks, without approval. All vacation time must be pre-approved using the Absence Request Form (Appendix N). An employee may not carry forward any vacation time. Employees will not be compensated for unused vacation days. (See Absence Request Form – Appendix N)

In the event an employee should leave the ROE's employment during the year, the ROE will payout any unused vacation days.

** All vacation and personal time must be used prior to any time off without pay. **

SICK LEAVE/ PERSONAL LEAVE/ BEREAVEMENT LEAVE

The ROE provides protection for all full-time employees against loss of income due to illness with a sick leave program. Full-time year-round employees are entitled to fourteen (14) sick days per fiscal year. Employees working 200 days or more per year shall earn pro-rated sick leave up to nine (9) sick days per fiscal year. Sick days can accumulate to 340 days total for TRS employees and 240 days for IMRF employees. Unused sick leave days can be applied to retirement credit for employees who are vested under the TRS or IMRF systems.

Upon resignation or dismissal, the ROE will not pay for unused sick time.

Guidelines for use of sick days are as follows:

- a. Benefits are paid only for approved absences and for times the employees would normally be scheduled to work.

Effective Date: July 1, 2022

- b. “Sick leave shall be interpreted to mean personal illness, mental or behavioral health complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for an adoption. Immediate family shall include parents, spouse, domestic partner, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, stepparent, and legal guardians.” (105 ILCS 5/24-6 & 820 ILCS 191/10)
- c. To be eligible, an employee must notify the employee’s immediate supervisor at the start of work for each day of absence. For more than three (3) consecutive days of absence, a physician’s note will be required. Daily notification may be waived in the event of confinement, noted in a physician’s statement.
- d. Permanent part-time employees do not receive paid sick leave but must still contact supervisor at start of work day.
- e. Sick leave shall be used in half day or full day increments.
- f. If an employee has used all of their sick days they may request a leave of absence without pay.
- g. Employees who are injured on the job do not receive sick leave payments after worker’s compensation insurance payments begin.
- h. An employee may use their sick leave to recuperate from their own illness or to care for an immediate family member who is ill or death in the immediate family.
- i. In the event of extended illness for employees who purchase individual or family insurance, the employee may continue to pay premiums for up to 12 weeks or for the duration of paid leave, whichever is longer.
- j. Two of the sick leave days may be used for personal business.

(See Absence Request Form – Appendix N)

FAMILY BEREAVEMENT LEAVE ACT POLICY

The Family Bereavement Leave Act (FBLA) states that employers with 50 or more employees must provide covered employees with up to 2 weeks (10 work days) of unpaid leave for the death of a “covered family member”.

Covered family member, for the purpose of this policy, will mean an employee’s child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent.

Eligibility

FBLA falls under the same standards as FMLA. Therefore, an employee must meet the same eligibility requirements listed in ROE’s FMLA Policy in order to be eligible to take leave under the FBLA.

Family bereavement leave may not be taken in addition to unpaid leave permitted under FMLA and may not exceed unpaid leave time allowed under FMLA.

Type of the Leave Covered

These 2 weeks (10 work days) of FBLA leave can be used for the following:

Effective Date: July 1, 2022

- Attend the funeral or alternative to a funeral of a “covered family member”
- Make arrangements necessitated by the death of the “covered family member”; or
- Grieve the death of a covered family member.
- Absence(s) due to (i) miscarriage; (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure; (iii) a failed adoption match or adoption that is not finalized; (iv) a failed surrogacy agreement; (v) a diagnosis that negatively impacts pregnancy or fertility; or (vi) stillbirth.

Procedure for Requesting Leave

Employees must provide 48-hour notice of their intention to take leave under FBLA, unless it is not reasonable and practicable. Leave under FBLA must be taken within 60 days after the employee receives notice of the death of a covered family member or from which a qualifying pregnancy/fertility event occurs. If an employee loses more than one covered family member in any 12-month period, they are entitled to take up to six weeks of unpaid bereavement leave in that 12-month period.

Certification of the Leave

An employer may require reasonable documentation. Employers cannot require an employee to designate which category is the basis for leave for a qualifying pregnancy/fertility event.

Use of Paid and Unpaid Leave

Employees can elect to substitute paid leave for unpaid leave under the FBLA. But, unlike under FMLA, ROE’s may not require employees to do so.

HEALTH INSURANCE

Group Health Insurance is provided for eligible full-time employees. Additionally, the ROE may pay a portion of health insurance premiums for each eligible employee. For health insurance purposes only, a full-time employee is classified as an employee who is regularly scheduled to work a minimum of thirty (30) hours per week and who is active on payroll. Employees may purchase dependent coverage. **See official plan documents or Insurance administrator for complete details.**

LIFE INSURANCE

Group Life Insurance is provided for eligible full-time employees. **See official plan documents or Insurance administrator for complete details.**

RETIREMENT

Retirement plans for all eligible employees are established based on position as determined by Illinois Municipal Retirement Fund (IMRF) for non-certified positions and the Illinois Teacher’s Retirement System (TRS) for licensed positions. **Please see Summary Plan Description for details.**

COBRA INSURANCE

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their dependents (qualified beneficiaries) the opportunity to continue health insurance coverage under our health plan when a “qualifying event” would normally result in the loss of eligibility. Some

common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; or a dependent child who no longer meets eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage of the group rates plus administration fee.

Written notice describing rights granted under COBRA is provided to each eligible employee when the employee becomes eligible for coverage under the health insurance plan. The notice contains important information about the employee's rights and obligations.

It is the employee's responsibility to inform the Plan Administrator of the following events for eligibility purposes:

- The participant becomes entitled to Medicare benefits
- The participant and spouse become divorced
- The participant and spouse become legally separated
- A participant's child ceases to be a dependent under the plan

JURY DUTY

We recognize and encourage civic participation by employees including serving when called for jury duty. You are expected to inform your supervisor when you receive your notice for jury duty. When an employee is required to serve, we will pay the difference between jury pay and the employee's scheduled hours up to 37.5 hours per week at regular rate of pay, limited to two weeks maximum per year. Employees on jury duty will be expected to turn in a voucher and work as much of their regularly scheduled shift and days as their jury duty schedule permits.

LEAVE OF ABSENCE

Administration shall have discretion in deciding whether to approve all leaves of absence. A leave of absence shall be determined as any leave, which does not involve paid time off. You should give prompt, written notice of leave of absence, the dates, and expected date of return to administration for approval. If medical related, it should additionally include a doctor's notice stating the nature of the leave. The amount of leave taken must be reduced by the amount of vacation and personal time accrued. To maintain insurance coverage, make arrangements with our Regional Superintendent prior to leaving.

When you are able to return to work, you should give at least one week's notice by presenting a written request to Regional Superintendent. We will make reasonable efforts to return you to the same or similar job you held prior to your leave, subject to business requirements that may exist. Failure to report back to work at the expiration of any leave granted shall be considered a voluntary resignation.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Any employee, other than temporary and seasonal employees, who leaves active employment for the purpose of being inducted, entering, determining physical fitness to enter, or performing

training duty in the Armed Forces or Coast Guard, either by enlistment, draft or recall, will be granted a leave of absence.

Reemployment Rights: You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- You ensure that your employer receives advance written or verbal notice of your service;
- You have five years or less of cumulative service in the uniformed services while with that particular employer;
- You return to work or apply for reemployment in a timely manner after conclusion of service; and
- You have not been separated from service with a disqualifying discharge or under other than honorable conditions.

Upon the expiration of such leave of absence, each employee will be restored to the employee's former job classification or to a position of like seniority, status and pay; unless, circumstances of the ROE have so changed as to make it impossible or unreasonable to do so.

MILITARY LEAVE

Any employee, other than temporary and seasonal employees, who leaves active employment for the purpose of being inducted, entering, determining physical fitness to enter, or performing training duty in the Armed Forces or Coast Guard, either by enlistment, draft or recall, will be granted a leave of absence.

Upon the expiration of such leave of absence, each employee will be restored to his/her former job classification or to a position of like seniority, status and pay; unless, circumstances of the ROE have so changed as to make it impossible or unreasonable to do so.

PERFORMANCE EVALUATION

At periodic intervals, performance reviews are conducted. Evaluation and discussion on feedback will not always be in written form as administration considers informal verbal feedback equally important as written feedback. The purpose of the evaluation is to determine the effectiveness of each employee in his/her position in terms of the applicable job description.

Factors to be considered in such evaluations include dependability, reliability, flexibility, attendance, punctuality, problem solving, attitude, works without supervision, interpersonal relations, quality of work, communication skills, appearance/grooming., along with overall rating and recommendations for improvement. The results of performance reviews will be discussed with each employee in confidence.

FAMILY & MEDICAL LEAVE OF ABSENCE POLICY

General Provisions:

It is the policy of this ROE to grant up to 12 weeks of family and medical leave during a 12 month rolling year to eligible employees, in accordance with the Family and Medical Leave Act of 1993 (FMLA).

2. The employee must have worked at least 1,250 hours during the twelve-month period immediately before the date when the leave is requested to commence.
3. The employee must work in an office or worksite where 50 or more employees are employed by the ROE within 75 miles of that office or worksite.

Type of the Leave Covered:

In order to qualify as FMLA leave under this policy, the employee must be taking the leave for one of the reasons listed below:

1. the birth of a child and in order to care for that child;
2. the placement of a child for adoption or foster care, and to care for the newly placed child;
3. to care for a spouse, child, or parent with a serious health condition;
4. the serious health condition of the employee.

Service Member Family and Medical Leave:

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember who is recovering from a serious injury or illness sustained in the line of duty is entitled to up to a combined total of 26 weeks of leave in a single 12-month period to care for the servicemember. This leave is available during a single 12-month period during which the employee is entitled to a combined total of 26 weeks of all qualifying FMLA leaves.

Employee Status After Leave:

An employee who takes leave under this policy will normally be able to return to the same position, or an equivalent position if the previous position is no longer available.

The ROE may choose to exempt certain key employees from leave. If an employee falls within this “key employee” exception, he/she will be notified after requesting, and before taking leave.

Use of Paid and Unpaid Leave:

An employee must apply earned vacation time and personal time toward the 12-week period allowed for an approved leave of absence pursuant to this policy. There is no other compensation paid by the ROE other than the payment for earned vacation and personal time noted above during a leave of absence. During the period of any unpaid leave of absence under this policy, an employee must arrange to pay the premium contributions for continuation of his or her group health insurance coverage, if applicable.

Certification of the Serious Health Condition:

The ROE requires medical certification of serious health conditions. The employee must respond to such a request within 15 days of the request. Failure to provide certification will result in denial of leave. Medical certification is provided by using the Medical Certification Form if it is the employee's own serious health condition.

If leave is requested to care for a family member with a serious health condition, the medical certification must include an estimate of the amount of time the employee will be needed to care for the family member.

Procedure for Requesting Leave:

When an employee plans to take leave under this policy which is foreseeable (such as the birth, adoption or placement of a child or a planned medical treatment), notice must be in writing to the employee's supervisor. If it is not possible to give 30 days notice, the employee must give as much notice as is practicable. An employee who is to undergo planned medical treatment is required to make a reasonable effort to schedule the treatment in order to minimize disruptions to the ROE's operations.

VICTIMS' ECONOMIC SECURITY AND SAFETY ACT

In accordance with the Victims' Economic Security and Safety Act, the ROE will provide to their employees, unpaid leave up to 12 weeks per rolling year for an employee who is a victim of domestic or sexual violence or has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. This act does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993.

Effective Date: July 1, 2022

Application for Leave/Notice by Employee

Any employee who desires a leave of absence pursuant to this policy must complete, sign, and submit an application for leave of absence to his or her immediate supervisor. The employee shall provide the employer with at least 48 hours notice in advance of the employee's intention to take the leave unless providing such notice is not practicable.

Certification Procedure

Every application for Leave of Absence pursuant to this policy must include certification that: (1) the employee or the employee's family or household member is a victim of domestic or sexual violence; and (2) the leave is for one of the purposes in the above paragraph. An employee may satisfy the certification requirement by providing: (1) documentation from an employee, agent, or volunteer of a victim services organization, an attorney, a member of the clergy, or a medical or other professional from whom the employee or the employee's family or household member has sought assistance in addressing domestic or sexual violence and the effects of the violence; (2) a police or court record; or (3) other corroborating evidence. The documentation must be submitted in a timely manner. It is the responsibility of the employee to submit the written documentation and it shall be attached to the application for leave of absence.

2. An employee taking leave of absence may not engage in other work or employment during the leave of absence. If an employee engages in other work or employment during the leave of absence, the employee will be considered to have violated the terms of the leave of absence, and to have voluntarily terminated his or her employment with the ROE.
3. If an employee is granted a leave of absence on an intermittent basis or on a reduced schedule basis, the ROE may require the employee to temporarily transfer to an alternative position that accommodates the employee's recurring absences or part-time schedule.
4. If at the time of applying for a leave of absence or during the leave of absence the employee intends not to return to work or decides not to return to work after the completion of the leave of absence, the employee will be liable and required to reimburse the ROE for the cost of payments made to maintain the employee's benefits during the leave of absence.

Compensation and Benefits during VESSA

An employee may apply earned vacation time and personal time toward the 12-week period allowed for any approved leave of absence pursuant to this policy. There is no other compensation paid by the ROE other than the payment for earned vacation and personal time noted above during a leave of absence.
