## **Parent and Family Engagement Policy**

### **2021-2022**

1. Frankston ISD will reach out to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs consistent with the requirements of ESSA Section 1116. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children. Section 1116 (a)(1)

FISD believes that family engagement is essential to a student's academic success. We believe that parent/family engagement is the participation of parents and schools in two-way meaningful communication regarding their student's academic learning and other school activities. Meaningful two-way communication ensures that:

- Parents are encouraged to be actively engaged in their child's education
- Parents have the opportunity to serve on committees and assist in the education decisions for the school or district

We acknowledge that parents/families have the primary role in supporting their child's education and that good communication is essential to academic success.

2. Frankston ISD receives Title I, Part A funds. Our goal is to plan and implement effective parent and family involvement activities to improve student academic achievement and school performance. Therefore, Frankston ISD will develop jointly with, agree on with, and distribute to, parents and family members of participating children a written parent and family engagement policy. Section 1116 (a)(2)

- The policy shall be incorporated into the local educational agency's plan developed under section 1112 (District Improvement Plan, DIP),
- The policy will establish the LEA's expectations and objectives for meaningful parent and family involvement.

The Parent and Family Engagement Policy is typically evaluated, revised, and updated in the spring semester by the District Advisory Committee. Meetings are advertised through school communication, such as Facebook and Skyler. Parents are encouraged to attend and offer input regarding the policy.

3. Frankston ISD will: involve parents and family members in jointly developing the local educational agency plan (DIP) under section 1112, and the development of support and improvement plans under paragraphs (1) and (2) of section 1111(d). Section 1116 (a)(2)(A)

The District Improvement Plan is typically revised and updated in the fall semester by the District Advisory Committee. Meetings are advertised through school communication, such as Facebook and Skylerts. Parents are encouraged to attend and offer input regarding the goals and strategies of the district improvement plan.

4. Frankston ISD will provide the coordination, technical assistance, and other support necessary to assist and build the capacity of all participating schools within the local educational agency, in planning and implementing effective parent and family involvement activities to improve student academic achievement and school performance, which may include meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education. Section 1116 (a)(2)(B)
5. Frankston ISD will coordinate and integrate parent and family engagement strategies under Title I, Part A, to the extent feasible and appropriate, with other relevant Federal, State, and local laws and programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children; Section 1116 (a)(2)(C) and Section 1116 (e)(4)
6. Frankston ISD will conduct, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of all schools served under this part, including identifying— Section 1116 (a)(2)(D)
  - barriers to greater participation by parents in activities authorized by this section (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background);
  - the needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and
  - strategies to support successful school and family interactions.

The Parent and Family Engagement Policy is evaluated annually by the District Advisory Committee during the spring semester. Meetings are advertised through school communication, such as Facebook and Skylerts. Parents are encouraged to attend and offer input regarding the policy. The findings of the evaluation are used to make revisions and updates to the plan for the following school year.

7. Frankston ISD will use the findings of such evaluation to design evidence-based strategies for more effective parental involvement, and to revise, if necessary, the parent and family engagement policies; and Section 1116 (a)(2)(E)

8. Frankston ISD will involve parents in the activities of the schools served under this part, which may include establishing a parent advisory board comprised of a sufficient number and representative group of parents or family members served by the local educational agency to adequately represent the needs of the population for the purposes of developing, revising, and reviewing the parent and family engagement policy and provide such other reasonable support for parental involvement activities under this section as parents may request.

Section 1116 (a)(2)(F) and Section 1116 (e)(14)

9. To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement,

Frankston ISD shall: Section 1116 (e)

- (i) providing assistance to parents of children served by the local educational agency, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirements of the parent and family engagement program, and how to monitor a child's progress and work with educators to improve the achievement of their children; Section 1116 (e)(1)

This policy was adopted by the FISD District Advisory Committee on October 13, 2021.
