Bledsoe County Schools

Attendance and Coordinated Health Departments

If you test positive for COVID at a doctor's office, you must have a copy of your test results sent in and contact the COVID nurse.

If you test positive at home, you must report that information to the COVID nurse within 24 hours by either email or phone. No backdating of excuses will occur if the guardian or student did not report the case within 24 hours.

Please remember, the COVID nurse can only excuse students for 5-10 days maximum.

If you have question or need to report positive cases contact the school's COVID nurse at 423-309-2957.

For attendance questions call your child's school or the attendance department at 423-447-2474.
