

SMALL TOWN, BIG DREAMS

The future
looks bright
when our
students
dream!

Help Us Decorate the
Town Christmas Tree!

Our students have the opportunity to help
decorate the Town Christmas Tree for the annual
Town Tree Lighting Event!

This year's theme is

SMALL TOWN, BIG DREAMS

We want our tree to represent the dreams,
creativity, and bright futures of our students.

Every
ornament
represents a
dream, a talent,
or a hope for
the future!

WHAT SHOULD MY ORNAMENT BE?

Students may create an ornament
that represents:

- ★ A dream for their future
- ★ A talent or interest
- ★ Sports, clubs, or activities
- ★ A goal or something they hope
to accomplish

Be creative!

MAKE IT AT HOME!

Students will create their ornaments
at home with their families.

ORNAMENTS ARE DUE:
**TUESDAY,
NOVEMBER 17**

Please send completed ornaments
to school no later than November 17
so they can be collected, organized,
and placed on the tree.

The Christmas tree will be
delivered and decorated for the
Town Tree Lighting Event on
November 24.

MAKE IT WEATHER-READY!

Because the tree will be outside,
please make your ornament as
durable and weather-resistant
as possible.

Helpful Tips:

- ✓ Use plastic, wood, foam, metal,
or other weather-resistant
materials when possible.
- ✓ If using paper or cardstock,
laminate it or cover it with
clear contact paper.
- ✓ Avoid materials that will easily
be damaged by rain, wind,
or moisture.
- ✓ Use waterproof paint, markers,
or decorations when possible.
- ✓ Make sure decorations are
securely attached.
- ✓ Use a strong ribbon, wire, or
sturdy string for hanging.
- ✓ Avoid very heavy or fragile ornaments.

Most importantly:
Make sure your ornament can
survive being outdoors!

PARTICIPATION INCENTIVE

Every student who participates
by creating and bringing in an ornament
will receive a special incentive
from their homeroom teacher!

*The incentive will be selected and
provided by each homeroom teacher.*

PLEASE LABEL YOUR ORNAMENT

If possible, please put your child's:

**First & Last Name
+ Grade/Homeroom**

on the ornament or a small tag attached
to it. This will help us identify ornaments
and return them when possible.

A NOTE TO OUR FAMILIES

We are excited to give our students the
opportunity to be part of this special
community tradition!

The ornaments will be transported,
handled, stored, placed on an outdoor
Christmas tree, and exposed to winter
weather conditions.

ORNAMENT DISCLAIMER

Every effort will be made to carefully handle and
display each student's ornament; however, we cannot
guarantee that ornaments will remain intact or be returned.
Some ornaments may be lost, broken, damaged, or affected
by weather during transportation, setup, display, or removal.
By sending an ornament to school, families acknowledge,
and accept these risks. Please do not send valuable,
irreplaceable, or sentimental items.

★ Let's make our tree shine! ★
SMALL TOWN • BIG DREAMS • BRIGHT FUTURES

Thank you for helping our students show the community
that great dreams can grow in a small town!
