A.M. Arrivals

Junior high and high school students should not be in the building beyond the lobby until the 7:55 bell rings. Elementary students should remain outside until 7:55. Unless parents or students have made arrangements to meet with a teacher or staff member before that time, we ask that you wait in your designated areas until it is time to head to class.

If students are eating the breakfast program, they may head to the cafeteria at 7:45 where they may stay until the bell, or they may go outside (elementary) or the lobby if they are in junior high/high school.
