

May 9, 2022

Hello Parents,

Happy Mother's Day to all of you moms! Third grade students are very blessed to have faithful mothers. You are much loved.

Monday - Five paragraph essay, presentation. One student completed this on Friday. This assignment includes bringing three things that fit into a paper lunch bag to show as they give their report. For example: A small toy animal from a farm set works if your student includes their pet as an important part of their life. Other items can be a small representation of something too big to bring; maybe a piece of music instead of the piano. :))

- Spelling words to study. These are the odd numbered words from last week's list

Thursday - Field Trip to Cottonwood County Day in History in Windom. This includes visiting the Cottonwood County Historical History, the Courthouse, and the Law Enforcement Center.

- Our tour begins at 12:00 noon. We will leave MLC at 11:30 and return on time for the bus. Many area schools participate in this event, each having their own time slot.

Friday - Spelling Test

Praising Jesus,

Mrs. Olson
