

Update of activities performed

- Sprayed entire exterior of school bugs.
- Removed broken boards from bench on playground. Spoke with Mr. Krein about receiving assistance installing new boards. Looking to see if he can include bench repair to his class.
- Was also informed about the see saw on the playground beginning to give kids splinters when played on. Again, spoke with Mr. Krein about possibly using his cordless sander to sand and paint the wood.
- Receive complaint from in city pick up stating bus ran late one morning. I was informed driving was held up waiting for a pilot car to allow bus into town. I spoke with route 2 bus drivers about situation, and we haven't had any issues since.
- Tires on bobcat need to be replaced. Received an over the phone quote from Cenex to replace all 4 tires at \$740.00.
- Received quote of \$13,400.00 from A&A Heating and Air to install a/c units in Ms. Fitterer's office and both ITV classrooms. Still waiting for quote from Schneider Brothers. They are working directly with A&A Heating as well to determine what is needed on the electrical side.
