

## What is a School– Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade-level academic standards.

Sumter County Middle School students participating in the Title I, Part A program, and their families, **agree** that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improving student academic achievement, as well as describes how school and parents will build and develop a partnership which will help our students achieve on the Georgia Standards of Excellence (GSE).

## District & School Goals for Achievement

To understand how working together can benefit your child, it is first important to understand our district's and school's goals for student academic achievement.

SCS' District & School academic goal for 2025-2026 SY: Increase the percentage of students scoring at the Developing Learner Level and above by 10 percentage points in all core content areas by the end of the 2025-2026 school year as measured by the Georgia Milestones.
