

## **Week of: September 2<sup>nd</sup> – 6<sup>th</sup>**

### **Theme: Family & 5 Senses**

This week will consist of the theme focused on our families and 5 senses. We will be focusing on the letter: A and number: 1 this week.

The children will get to share with their peers their family photo(s) and family memories. We will use all of the children's photos to create a family bulletin board for our classroom! We will begin classroom jobs and journals! We will continue to have whole group and small groups. Music and movement will consist of singing and dancing to theme related songs. We will attend music class on Thursday! We will go on a nature walk to learn about our 5 senses along with living and nonliving items in our environment. We will conduct a science experiment that will consist of making predictions and learning about our 5 senses by exploring what happens to a bath ball when placed in water. We will have a fun letter A themed activity! We will work on the following literacy skills: letter identification and letter sounds. We will work on the following math skills: counting, number identification, and graphing. We will strengthen our fine motor skills by writing our names and working in our journals. This week will be filled with fun while learning about our letters, numbers, 5 senses, and each of the children's family in our class!

We are looking forward to a great week in Pre-K!
