

Leland School District

In- School Child Find Activity

(collaboration between special education department and schools)

1. Point of contact (POC) will obtain grade distribution reports
 - Students will be identified that have D's and F's
2. POC identifies which students are in the Tier process and what level the child is on in the process.
3. POC will compare the progress monitoring report to student report card and work samples.
4. Each school will submit SLT protocol data weekly to identify students on Tier 3 list.
5. POC will obtain adequate progress report on Tier 3 students.
6. POC will schedule meetings to determine if students that are not progressing need referral for LSC.
