Continuous Eligibility for Dual Enrollment for Dual Credit - Students who meet the criteria for initial admissions for a Dual Enrollment for Dual Credit program as specified will maintain continuous eligibility so long as they earn **a grade of C (70) or better** in all attempted college courses. Students who fail to meet this minimum grade requirement **or who withdraw from a course** will be suspended from the program for a minimum of one term. The one-term suspension may not be served during the summer. The student may not re-enroll until the suspension has been served. For re-entry, the student must reapply to the program and must meet the minimum grade point average requirements.

Authorization for Release of Records

According to the Family Educational Rights and Privacy Act of 1974 (FERPA), all rights of access to students' educational records transfers from the parent(s) to the student when the students become 18 years of age OR are enrolled in an institution of postsecondary education. In order to comply with the requirements of FERPA, the college shall obtain written consent from students before disclosing any personally identifiable information from his/ her educational records.

As a participant of the Dual Enrollment for Dual Credit program, I understand that it is the responsibility of the college to release my grades to my high school and / or secondary entity. My signature below authorizes the college to release the information noted in this section.

Dale County Dual Enrollment Student / Parent Agreement

Please read this carefully to understand the Dual Enrollment Guidelines:

- **Enrolling in Dual Enrollment courses begins the student's college transcript, which is permanent.**
- **If a student withdraws from a Dual Enrollment course, the course will be reflected on the high school transcript as reflected on the college transcript. The student must follow the college policy to withdraw from a course and notify the high school of the withdrawal.**
- **It is the student's responsibility to submit all Dual Enrollment paperwork at the time of registration to the counselor or designee by the deadline.**
- **The student will have to provide transportation to and from the college campus if required.**
- **Students are required to take an Academic Dual Enrollment course on the high school campus or Bridge Academy campus if offered.**
- **Sometimes scheduling conflicts between the high school and the college may prevent participation in Dual Enrollment.**
- **All Dual Enrollment students operate independently of their parents. Therefore, parents do NOT have access to grades, progress, or the instructor at the college level, as they would in a non – Dual Enrollment class. Dale County Schools cannot access the student's grade(s) in a Dual Enrollment course(s) until final grades are issued.**
- **Tuition for most Dual Enrollment courses is due to the college at the current college tuition rate and is due by the college's deadline unless the course is covered by the Workforce Grant. Furthermore, we understand if textbooks are not covered by the Workforce Grant, the cost must be paid by the student. Specific courses may incur additional fees. Please refer to the college for additional information.**
- **It is the student's responsibility to register on the date required by the college for the approved registered classes. After registering, the student must sign in to the college platform, print their schedule, and provide a copy to the high school counselor.**

We have read and understand the Dual Enrollment Policy.
