A. Introduction

Welcome to Trojan Nation!

We're thrilled to have you as part of the Dyersburg City Schools family—where every student matters and every moment counts!

At DCS, we believe in creating opportunities for all students to reach their highest potential. That means opening doors, breaking down barriers, and preparing kids not just for tests, but for *life*. Whether it's solving real-world problems, working as a team, or thinking outside the box, our goal is to equip your child with the tools to thrive in an ever-changing world.

We're proud of our dedicated teachers who set the bar high and believe in every student's ability to succeed. But we also know we can't do it alone. A strong partnership between home and school makes all the difference—and we're thankful to have you walking alongside us.

Many of the exciting things happening across our schools come directly from your feedback, and we can't thank you enough for your support, your ideas, and your trust. Thank you for helping us keep our schools safe and for allowing us the privilege of educating your child.

Let's work together to make this year one to remember!

If I can ever help or answer a question, please don't hesitate to reach out at kworley@dyersburgcityschools.org.

With Trojan Pride,
Kim Worley
Director of Schools

1c - CHECKOUT GUIDELINES FOR EXAM DAYS:

1. The ability to check out of school after an exam is a privilege for students with good attendance and discipline records at DHS. Any student who meets or exceeds the following criteria in any ONE of the categories WILL NOT be allowed to check out of school on exam days.

Semester	Discipline Referral	Total Absences	Tardies	Checkouts	STOP Days	Fees List
S1	10+	5+	3+	5+	1+	Yes
S2	15+	10+	6+	10+	2+	Yes

2. Exempt students may choose to take the exam with the assurance that the exam will not reduce their letter grade but may improve it. Absences for discipline WILL count in the total number of days missed for exemption purposes.
3. YOU MAY NOT APPEAL THE EXAM EXEMPTION POLICY.

1d - Check-in/Check-out Procedure

1. Students entering the building after classes begin must SIGN IN at the East office and receive an admit slip.
2. Students departing the building must SIGN OUT IN THE EAST OFFICE AND SECURE PERMISSION FROM A PARENT/GUARDIAN TO DO SO. Students may be required to get a contact on the phone to confirm check-out notes. Only the contacts listed in the computer may give check-out permission.

CHECK IN: When a student checks into school late, a note from a parent may be required. Failure to produce a note will result in an unexplained absence and will be dealt with as a disciplinary referral.

1e - Tardiness

A DHS student is tardy to any scheduled class or activity if he/she is **NOT “INSIDE” THE ROOM WHEN THE BELL “BEGINS” TO RING**. All tardy students should be referred to an administrator. That student may or may not return to class that period, depending on determination by an administrator as to the number of tardies and any subsequent penalty administered to the student. This will be determined at the discretion of the admin on a student by student basis. Medical check-ins after class starts are NOT considered tardies. **Students attending less than ½ of class with an approved check-in are considered absent in the grade book for exam-exemption purposes.** **Transportation problems other than the school bus are not reasons for excused tardy.**

2. ATTENDANCE

To determine the grade for the semester, the final comprehensive exam will count as **fifteen percent** of the student's grade.

EXAMS WILL NOT BE GIVEN EARLY. They may be made up however, if there is an excused absence. In courses with end-of-course exams, the EOC/TNReady will count as the second semester exam and will be fifteen percent of the second semester grade. Although EOC exams may be given at an earlier date, teachers will have exams for students on exam day.

The semester grade will be calculated using the following formula:

Semester 1 Grade = (Quarter 1 Grade)(42.5%) + (Quarter 2 Grade)(42.5%) + (Semester 1 Exam Grade)(15%)

Semester 2 Grade = (Quarter 3 Grade)(42.5) + (Quarter 4 Grade)(42.5) + (Semester 2 Exam Grade)(15%)

The highest point total will be asked to speak at graduation on behalf of the graduating class.

Trojan Scholars are students that achieve 1777 or more points (89% of the maximum) in the following calculation. **The maximum number of points attainable is 2000, 1000 from each factor in the formula.**

$$(\text{ACT} \times 27.7777) + (\text{GPA} \times 250) = \text{Trojan Scholar Points}$$

The GPA used will be the cumulative GPA including semester 1 and quarter 3 of senior year .

A student's highest reported ACT composite score that includes English, Reading, Math, and Science will be used for this calculation. The February ACT is the last ACT counted for Trojan Scholar purposes. DHS will not superscore results from various tests. The following table is used to determine eligibility. An ACT score of 28 is the minimum that will qualify a student for this program.

Any student answering falsely, evasively, or refusing to answer a proper question may be subject to disciplinary action, including suspension or dismissal.

If a student is suspected or accused of any such matter committed in a school during school hours or on school property at any time, the principal may interrogate the student, without the presence of parent(s) and without giving the student constitutional warnings.

If a student is a suspect or is accused of a crime not involving the operation of a school or if interrogation of a particular student is police instigated, a parent shall be notified, and constitutional warnings shall first be given to the student before interrogation begins.

10. ATHLETICS AND EXTRACURRICULAR ACTIVITIES

Dyersburg High School focuses on academics. However, to enrich those academics, DHS offers many athletic organizations as well as extracurricular activities to enhance the academic process. This list continues to grow each year, and we encourage all students to find some organization in which to participate. Supervision is only provided for school related activities for the duration of the event. Parents are encouraged to pick up their child at the conclusion of the event.

The purpose of the Dyersburg High athletic department is to provide teams that will represent the school and the city in competitive interscholastic contests with pride. It is a privilege, not a right, to participate in athletics as athletes are held to a higher standard than the regular student body. In order to participate, a student must meet the standards of the Tennessee Secondary School Athletic Association, and must abide by the rules that are established for team conduct. The athletic program strives to teach a winning attitude, sportsmanship, teamwork, leadership, and promote and reward excellence. To be eligible to participate in athletic contests during any school year, a student must earn six credits the preceding school year.

All credits must be earned by the first day of the beginning of the school year. Academic eligibility for a student is based on the requirements of the school the student was attending at the conclusion of the previous year. If a student is not eligible the first semester, they may become eligible the second semester based on passing six credits at the conclusion of the first semester.

There will be a student athletic pass available to all DHS students during registration and the first month of school. This pass will cost \$50 and will gain the student admission to ALL REGULAR DHS HOME sporting events. It will NOT admit students to any jamboree or tournament games.

DHS students are expected to behave in a sportsmanlike fashion at all games. This includes dress and conduct. Students not dressed appropriately may be denied admission or removed from games. Students antagonizing opponents or officials may be asked to leave the game. All students are encouraged to positively cheer for your classmates in their athletic pursuits.

Suspended students and students assigned to the College Street Campus for disciplinary reasons are not permitted at DHS functions, home and away. These students will be considered trespassing and dealt with appropriately.

C6 - Meningitis & Flu Awareness

Per state law, the District must provide information to parent(s)/guardian(s) about the following diseases.

- **Meningococcal meningitis**
 - Meningococcal meningitis is inflammation of the tissues and fluid surrounding the brain and spinal cord. It can be caused by bacteria or viruses. Symptoms can include fever, sudden severe headache, stiff neck, rash, nausea, and vomiting. There is a vaccine that will decrease the risk of some types of meningococcal meningitis, but it does not totally eliminate risk of the disease.
 - Meningitis is spread through exchange of respiratory droplets or saliva with an infected person. Only a small percentage of people who are exposed to the bacteria will develop meningitis. The bacteria that causes meningitis is not spread by casual contact or by simply breathing the air where a person with meningitis has been.
 - Two doses of the MCV4 vaccine are recommended for adolescents 11 through 18 years of age; the first dose at 11 or 12 years of age, with a booster dose at age 16.
- **Influenza**
 - Influenza is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and lungs. Symptoms can include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills, feeling tired, and sometimes vomiting and diarrhea.
 - Flu viruses are spread mainly by droplets made when someone with the flu coughs, sneezes, or talks. A person can also get the flu by touching something that has the flu virus on it and then touching his/her mouth, eyes, or nose.
 - A dose of flu vaccine is recommended every flu season. Children 6 months through 8 years of age may need two doses during the same flu season. Everyone else needs only one dose each flu season. There is no live flu virus in flu shots. They cannot cause the flu.

 - DIPHTHERIA (D) can lead to difficulty breathing, heart failure, paralysis, or death.
 - PERTUSSIS (aP), also known as “whooping cough,” can cause uncontrollable, violent coughing that makes it hard to breathe, eat, or drink. Pertussis can be extremely serious especially in babies and young children, causing pneumonia, convulsions, brain damage, or death. In teens and adults, it can cause weight loss, loss of bladder control, passing out, and rib fractures from severe coughing.
 - The Tdap vaccine is only for children 7 years and older, adolescents, and adults.
 - Adolescents should receive a single dose of Tdap, preferably at age 11 or 12 years.

C7 - Parental Notification Under the Elementary and Secondary Education Act (ESEA)

The Elementary and Secondary Education Act (ESEA) as amended in Dec. 2015 by the Every Student Succeeds Act (ESSA) makes it clear that Congress expects local educational agencies (LEAs) and schools receiving federal funds to ensure that parents are actively involved and knowledgeable about their schools and their children’s education. The law requires schools to give parents many different kinds of information and notices in a uniform and understandable format and, to the extent practicable, in a language that the parents can understand. Listed below are some of these required notices that must be made to parents by school districts or individual public schools.

Teacher Qualifications and Highly Effective Teachers

At the beginning of each year, an LEA shall notify parents that they may request, and the LEA will provide information regarding whether professionals are highly effective, including the qualifications of the student’s teachers and paraprofessionals. This includes information about whether the student’s teacher:

- 1) has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- 2) is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- 3) is teaching in the field of discipline not of the certification of the teacher; and
- 4) is teaching alongside paraprofessionals and, if so, the paraprofessional’s qualifications [ESSA § 1112(e)(1)(A)].

Student Privacy

Districts must give parents annual notice at the beginning of the school year of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

- activities involving the collection, disclosure, or use of personal student information for the purpose of marketing or selling that information;
- administration of surveys containing request for certain types of sensitive information; and
- any nonemergency, invasive physical examination that is required as a condition of attendance, administered by the school, scheduled in advance, and not necessary to protect the immediate health and safety of students.

A district must develop and adopt policies regarding the rights of parents to inspect:

- third-party surveys before they are administered or distributed to students;
- measures to protect student privacy when surveys ask for certain sensitive information;
- any instructional materials;
- administration of physical examinations or screening of students;
- collection, disclosure, or use of personal information from students for the purpose of marketing or selling that information; and
- the parental right to inspect any instrument used to collect personal information before it is distributed to students.

Districts must give parents annual notice of an adoption or continued use of such policies and within a reasonable period of time after any substantive change in such policies [20 U.S.C. 1232g].

Report Cards on Statewide Academic Assessment

Each school district that receives Title I, Part A funds must prepare and disseminate an annual report card. Generally, the state or district must include on its report card information about public schools related to student achievement, accountability, teacher qualifications and other required information, as well as any other information that the state or district deems relevant.

These report cards must be concise and presented in an understandable and uniform format accessible to persons with disabilities and, to the extent practicable, provided in a language that parents can understand. In Tennessee, **these requirements are met through the state's report card** [ESEA Title I, Part A, §1111(h)(1) and (h)(2)].

Achievement on State Assessment

All schools must provide to parents, teachers, and principals the individual student interpretive, descriptive, and diagnostic reports, which allow specific academic needs to be understood and addressed, and include information on the student's achievement on academic assessments aligned with state academic achievement standards [ESEA §1111(b)(2)(B)(x)].

National Assessment of Education Progress

Districts, schools, and students may voluntarily participate in the National Assessment of Educational Progress (NAEP). Parents of children selected to participate in any NAEP assessment must be informed before the assessment is administered that their child may be excused from participation for any reason, is not required to finish any assessment, and is not required to answer any test question. A district must make reasonable efforts to inform parents and the public about their right to access all assessment data (except personally identifiable information), questions, and current assessment instruments [ESEA Title VI, Part C, §411(c)(1); (d)(1)–(2)].

Schoolwide Programs

An eligible school operating a schoolwide program shall make the comprehensive plan available to the LEA, parents, and the public. The information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand [20 U.S.C. §6314][ESEA Title I, Part A, §1114].

21st Century Community Learning Centers

A program or activity funded as part of a 21st Century Community Learning Center providing before and after school activities to advance student academic achievement must undergo periodic evaluation to assess its progress toward achieving its goal of providing high-quality opportunities for academic enrichment. The results of evaluations shall be made available to the public upon request, with public notice of such availability provided [ESEA §4205(b)(2)].

Waiver Request

If a school district requests the U.S. Secretary of Education to waive any provision or regulation of the ESEA, it must provide notice and information about the waiver to the public in the manner in which is customarily provides public notice [20 U.S.C. §7861(b)(3)(B)] [ESEA Title IX, Part D, §8401(b)(3)(B)(ii)].

A child whose care, custody and support has been assigned to a resident of the district by a power of attorney or order of the court as dictated by law, shall be enrolled in school provided appropriate documentation has been filed with the district office. Initial placement of students who transfer to Dyersburg City Schools will be determined by a previous discipline record. Upon completion of the work, the student's grades, diploma, and/or transcripts shall be released. Such sanctions shall not be imposed if the student is not at fault.

Failure to remit the cost of replacing or repairing such materials or to make satisfactory arrangements with the administration for payment may result in suspension of the student. If payment is not remitted, the matter will be referred to the Board for final disposition.

Textbooks are available free to students as a loan. Parents/guardians will accept full responsibility for the proper care, preservation, return, or replacement of textbooks issued to the student(s). The condition of each book and a book number shall be recorded by the teacher issuing it. The life of the book is considered to be six (6) years. E. Student Academic Achievement

E1 - Attendance

Attendance And Truancy Information

Dyersburg City Schools considers it a privilege to partner with parents to educate the children of Dyersburg, Dyer County, and beyond. However, we need all children to be in school whenever possible to properly educate them. Please read the articles below to learn more about the truancy and attendance laws, policies and procedures.

Attendance Definitions

All student absences should be accompanied with a note. Parent notes, doctor's notes, or other documentation should accompany the child when he or she returns to school. Please refer to your child's school handbook for more information.

- **Excused Absence** - Students will be allowed **5 Excused** Absences per year with a parent note, unless the child is classified as excessively absent. The principal/s or their designee has the authority to excuse students when absent under for the following reasons, including but not limited to:
 1. Illness of a student
 2. Doctor or dental appointment
 3. Death or serious illness or injury in the student's immediate family
 4. Emergencies requiring the student's presence at home
 5. Special recognized religious holidays regularly observed by persons of their faith
 6. Others at the discretion of the principal

After 5 parent notes, all other parent notes will be Unexcused.

- **Explained Absence** - Absences for good and valid reasons not cited above may be classified as EXPLAINED ABSENCES by the principal/s or their designee. Except in cases of extenuating circumstances, prior approval should be granted through the office for such absences. These absences will count toward a student being Excessively Absent.
- **Unexcused Absence** - Other reasons not cited above and not properly documented are classified as unexcused absences. These absences will count toward a student being TRUANT.
- **Excessively Absent** - Dyersburg City Schools considers a child Excessively Absent when he/she misses 15 days of school. This includes all absences (excused and unexcused). At this point, parents must present proper documentation (doctor's note, etc.) for a child to have an excused absence.
- **Truant** - A child is considered truant when he/she reaches 5 unexcused absences. Students that reach 5 unexcused absences will enter a Progressive Truancy Plan. This can become a legal issue if a child continues to accumulate unexcused absences. A parent who does not cooperate with the school system or whose child continues to receive unexcused absences may be cited into court and face fines or even jail time.

Pre-Arranged Absences

When a parent/guardian finds it necessary to remove their child from school for good and valid reasons not cited above, they must advise the school in writing at least 24 hours in advance. The note should give the anticipated days of absence and the purpose. The note should be signed by the principal and presented to each teacher so that work can be arranged in advance of the absence. It is the student's responsibility to provide an admit note upon their return to school and to submit all make-up work in a timely manner. NOTE: Pre-arranged absences count toward the total number of absences and may not be approved if a student has excessive absenteeism.

Excessively Absence Policy

Dyersburg City Schools defines a student who misses 15 days of the school calendar as Excessively Absent. Absences

counted as being excessively absent include the following types of absences: excused, unexcused, out-of-school suspension, and expulsion. All student absences count toward being Excessively Absent, whether the absences are excused or unexcused. In-school suspension and school sponsored field trips are not considered being absent from school.

A child that becomes classified as Excessively Absent shall be required to have a doctor's excuse/note to receive an excused absence. The Excessively Absent classification and subsequent excuse procedure shall continue for the remainder of the current year and the next school year. However, parents/guardian shall send notes when students are absent for documentation purposes. Students shall be removed from the Excessively Absent list the following the year if they miss fewer than 15 days.

If a student transfers into Dyersburg City Schools, then a student's attendance record from the transferring school(s) or placement(s) will count toward being Excessively Absent for the current school year.

A parent may appeal the decision of his/her child being considered Excessively Absent due to extenuating circumstances, which may include, but is not limited to, extended hospitalization or military deployment of a parent. A written letter of appeal stating the reasons for absences shall be sent to the principal of the child's school. The principal shall evaluate the child's attendance record, render a decision, and respond in writing to the parent within 10 school days of the appeal. If the principal grants the appeal, then the child will be removed from the Excessively Absent list.

Individual schools may impose other penalties for students that are classified as Excessively Absent.

Tennessee Law states that any child that misses **5 UNEXCUSED days** of school within a year is considered truant. When a child becomes truant, it triggers a Progressive Truancy Intervention Plan as mandated in Board Policy 6.200.

Progressive Truancy Intervention Procedure

To combat both Excessive Absenteeism and Truancy, each school shall generate a warning letter to parents and students at the third (3rd) absence, regardless of whether it is excused or unexcused. Letters must be generated at least weekly.

The Progressive Interventions shall have the following steps:

Tier 1: Tier 1 shall be a schoolwide truancy prevention letter that shall be generated and sent to the parent at the student's third (3rd) unexcused absence. A parent shall attempt to contact the designated truancy staff member by phone.

Tier 2: Tier 2 shall be triggered at a child's fifth (5) unexcused absence. When this threshold is reached, the school shall:

Tier 2A

2. Schedule a meeting with the parent/guardian and child
3. Have an Attendance Contract signed by the school and parent.

Tier 2B

4. Schedule a follow up meeting at the 8th Unexcused Day.
5. An individualized assessment of why the student has been absent from school.
6. If necessary, refer the child to counseling by the school's counselor.

Tier 3: Tier 3 shall be triggered at a child's tenth (10) unexcused absence and/or when Tier 2 was not effective. In Tier 3, the school shall:

1. Generate a 10 Day Truancy Letter to be sent to the parent/guardian.
2. The District Truancy Staff shall attempt to contact the parent and child..
3. The parent and child may be summoned to appear before the Dyer County Truancy Board.
 - a. Child and Family Team Meeting (CFT)

Juvenile Court Citation

Students and/or parents shall be cited into Dyer County Juvenile Court when the first 3 tiers have been unsuccessful or when the parent or child refuses to cooperate with the school in the truancy intervention process. At any point in the Progressive Truancy Intervention process, if a parent/guardian or student is unwilling to cooperate with Dyersburg City Schools or to implement the intervention plan, the child and/or parent may be immediately cited into court. The school shall maintain the evidence of the unwillingness of the parent/child to cooperate with the school district regarding truancy issues.

Nurse Excused Absences

Nurses will have the direct authority to excuse an absence for the day the child is sent home AND the next day in Dyersburg City Schools in the following situations. The nurse observes a student that has:

If a student is a suspect or is accused of a crime not involving the operation of a school or if interrogation of a particular student is police instigated, a parent shall be notified, and constitutional warnings shall first be given to the student before interrogation begins.

The principal shall first attempt to notify the parent(s)/guardians(s) of the student of the intended interrogation unless circumstances require otherwise. The interrogation may proceed without attendance of the parent/guardian. The principal or his designee may be present during the interrogation.

Searches by Trained School Personnel

Any trained principal, or his/her designee, having reasonable suspicion may search any student, place or thing (including phone/media device) on school property (locker, vehicles, etc.) or in the actual or constructive possession of any student during any organized school activity off campus, including buses, vehicles of students or visitors and containers or packages if he/she receives information which would cause a reasonable belief that the search will lead to the discovery of:

2. Evidence of any violation of school rules or regulations or proper standards of student or faculty conduct
3. Any object or substance, which, because of its presence, presents an immediate danger of harm or illness to any person

If public health or safety is involved, upon request of the principal who shall be present, police officers may make a general search of students' lockers and desks, or students' or nonstudents' automobiles for drugs, weapons or items of an illegal or prohibited nature.

If the principal has received reliable information which he/she believes to be true that evidence of a crime or of stolen goods, not involving school property of members of the school staff or student body, is located on school property and that any search for such evidence or goods would be unrelated to school discipline or to the health and safety of a student or the student body, he/she shall request police assistance; and procedures to obtain and execute a search warrant shall thereafter be followed.

Anything found in the course of the search conducted in accordance with this policy which is evidence of a violation of the law or a violation of student conduct standards may be:

1. Seized and admitted as evidence in any hearing, trial, suspension or dismissal proceeding. It should be tagged for identification at the time it is seized and kept in a secure place by the principal or the principal's designee until it is presented at the hearing. At the discretion of the principal, the items seized may be returned to the parent or guardian of a student or, if it has no significant value, the item may be destroyed, but only with the express written permission of the director of schools.
2. Any seized item may be turned over to any law enforcement officer. Any dangerous weapon or drug as defined in TCA 49-6-4202 shall be turned over to an appropriate law enforcement official after completion of an administrative proceeding at which its presence is reasonably required.

The principal or his/her designee may request the assistance of a law enforcement officer to:

1. Search any area of the school premises, any student or any motor vehicle on the school premises;
