2022

A year in review and what a year it was! 2022 brought many our way and we've also had to say goodbye to a few... We lost our beloved Weldon last January and he sure has been missed around here... known for his love for drinking coffee and although he was unable to communicate, we all understood his needs and wants. In the spring, two sisters came to stay with us, Abbie and Kristy... they have settled in well with Kristy helping Connie with the daily laundry. Kathy is another who has lived here for quite a long time. She left about a month ago to live with her family. She lived with us for many years and will be greatly missed. She is a beautiful quilter, and we hope that she continues to use her God-given talents. We also have a young girl, Ayla, who has joined our family. Full of energy and happiness, you never know when you will see her zipping around on her scooter leaving a cloud of dust behind her. Logan Shultz has taken the role of overseeing the men's dorm which consists of him being responsible for five others that live with him full time. They work hard doing daily chores around campus including helping with the new construction.

The most exciting news we have had is that we started construction on a new girls' dorm. They desperately need a larger space due to the fact there were nine women sharing one bathroom. They will now be located in a very large area under our offices. The new dorm has three bathrooms, a large pantry, eating area, and kitchen. It is going to provide some much-needed space for the girls, as well as give us

the opportunity to make room for more! This project would not be possible without some key people... Jeffrey Major and his crew who have relocated from Indianapolis to Liberty as they volunteer their time and talents to work on this project. They have worked hard with our own team of guys, and everyone has learned a lot through the experience. We could never say thank you enough to all of YOU who have donated your hard-earned dollars to this project. Because of your generosity, this project has come to life. Please come visit and take a tour of the new dorm when the weather breaks and spring starts to make its way to Liberty, Kentucky! There is still work to be done like obtaining items for the inside such as cabinets, furniture, etc. But for now, we will rejoice in the blessings that God has poured into this project.

George and some of the family

The Quilt Auction was a great success this year and we are already making big plans for the next one! From great food to beautiful handmade quilts, you will love your time here in October. Mark your calendars for attending this year on October 13 & 14, 2023.

We finished our year by celebrating the birth of Jesus. What could be better than that? It's a Tucker family tradition that everyone gathers at the home for a big meal and then the "kids" open presents in the chapel. We are so thankful for those who purchased gifts from the Amazon list, sent gifts or brought them in. We had lots of happy residents with HUGE smiles on their faces, because of all of YOU!

We pray your 2023 is filled with all the good things God has in store for you and your family. Come see me. I'm usually here 24/7 and sometimes 25/8.

I recently celebrated my 92nd birthday. Whoops, my boo boo! I am 82! Somedays I feel like I'm 102 and sometimes I feel like I'm 22. Just pick an age.

Making Room for More

Women's Dorm

We are "busting at the seams" in the dorm we currently have for our women residents. Nine women share one bathroom, the needs of the residents have changed as they have aged, and there are names of women on a waiting list that we are unable to take because we lack the room. The current dorm was constructed in the 1980's. It has served them well in the past, but we are now at a point where we need more space. The new living area will provide three handicapped accessible bathrooms, more bedrooms, and a larger kitchen and living area so that those with handicaps will be able to maneuver more easily.

Here at the Galilean Home, we have always believed that God will send out an army to help those who cannot help themselves. We ask for your prayers and support as we move forward in faith to begin creating "room for more."

To make a donation, you can mail a check with "Girls Dorm Construction" in the memo to PO Box 880, Liberty, Kentucky 42539 or donate online at www.galileanhomeministries.org For more information regarding donations, please contact Jennifer Coffey at 859-749-0727.

GET INVOLVED

Our volunteer program is a good way to dive in and be the hands and feet of Jesus in our ministry. Ladies 18 & older, if you feel you have the love and patience along with a good amount of flexibility to care for our family, we encourage you to apply. Volunteers are very important part of what we do. You get to care for our severely handicapped residents in the Blessing House, and other members of our family, as well as caring for our babies at the Angel House. We also need teacher's aides for our academy, so there are plenty of areas in which to serve. We provide housing and basic needs, but do require at least a three-month commitment.

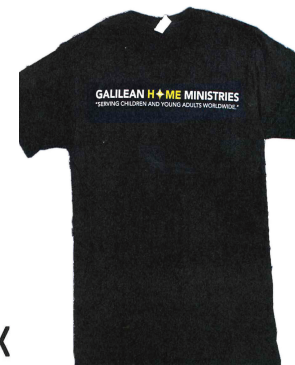

Please prayerfully consider this and give our Volunteer Coordinator, Dawn Shultz, a call at 606.706.9457 or email her at dshultz@galileanhomeministries.org for more info.
