2023/24

The North Country Charter Academy would like to recognize Kierstin Fallman as the Student of the First Quarter, 2023. She comes to us from Woodstock, NH, and has quickly acclimated herself to our environment. She is a very motivated student who constantly strives to do her best. The drama-free environment at NCCA helps her stay focused and through this focus, she has been able to accomplish a lot in a very short amount of time. She is currently a member of the Holocaust and Human Behavior course which is studying how we as a society can avoid something like the Holocaust from ever happening again. This course allows her to interact with her classmates maturely and respectfully which helps her meet our goals of being College-and-Career Ready by the time she graduates. We at NCCA wish her all the best in her future endeavors.
