

# From the desk of Dr. Rick Brewer Head of School

Walking through the halls of Master's Academy, one quickly realizes that something deeper is taking place than academics alone. In classrooms, on athletic fields, and in everyday conversations, our teachers and administrators are intentionally investing in the hearts and minds of students. They are not only educating—they are discipling. This is the *why* behind everything we do.

At Master's Academy, spiritual nourishment is woven into every subject and every interaction. Through a distinctly Christian worldview, our faculty faithfully connects the truth of the Gospel of Jesus Christ to all areas of life. **This is not an added feature—it is our foundation.** And it is a distinctive that sets our school apart in a profound and lasting way.

We are also keenly aware that the world around us is constantly changing. In the midst of that change, people are searching—often restlessly—for meaning, for purpose, and for peace. As followers of Christ, we know that true and lasting truth is not shifting, but firmly rooted in God's Word. It is this unchanging foundation that equips our students not only to navigate the world around them, but to live with clarity, to serve with honor, and to reflect Christ in all they do.

Through a Christ-centered education, Master's Academy is shaping students who understand how to live faithfully and lead courageously in a culture that so often lacks both direction and hope. As we look ahead, we believe the Lord is calling us to expand that impact.

Our vision is to extend this Christ-centered educational experience to more students and families across Florida's Treasure Coast. With growth comes opportunity—the opportunity to shape lives, strengthen families, and raise up young men and women who are prepared to influence the world for Christ. This is where we invite you to prayerfully consider your role.

Through our *By Faith* Capital Campaign, we are seeking to expand our campus and enhance our programs so that current and future generations can benefit from all that makes Master's Academy unique. Every gift—given in faith and with purpose—directly supports our mission to spiritually develop and academically challenge students to impact their world for Jesus Christ. We remain steadfast in our commitment to human flourishing for Kingdom advancement. It is both a privilege and a responsibility we carry with great care and conviction.

Thank you for your continued prayers, encouragement, and partnership. Together, we have the opportunity to invest in something eternal.

With Great Appreciation,

Rick Brewer, MBA, Ph.D  
Head of School
