[Pastor and 4 Firefighters Critically Injured When Church Explodes in NY](#)

A fiery explosion that ripped through a church in upstate New York on Tuesday injured five people, including the pastor and firefighters who responded to a report of a gas odor in the building, officials said.

New York State Police were investigating the blast, which sent thick plumes of black smoke into the air around 10:30 a.m. at the Abundant Life Church in Boonville.

[Holy Spirit Outpouring Breaks Out on FL Campus as Students Turn to Non-Stop Worship](#)

An extraordinary move of the Holy Spirit that broke out at Florida's Southeastern University (SEU) a week ago is continuing. Some people have been comparing to the Asbury Awakening from 2023.

It began during a three-day conference that started last Monday and was scheduled to end Wednesday evening. When speaker Jennie Allen called students to repentance, Campus Pastor Jonathan Rivera told CBN's Billy Hallowell that things unexpectedly began to change.

[A new report on confession](#)

According to data published by Religion Unplugged, 44% of American churchgoers confess their sins to God every day and another 26% do so several times each week. Scott McConnell of LifeWay Research says this is a good sign, adding: "The confession of sins to God is counter-cultural. Today, many people in America want to set their own moral compass, but we see large numbers of churchgoers acknowledging God's authority in their lives."

[A new report on government waste focuses on transgenderism](#)

Oklahoma Republican Senator James Lankford has released his annual list of the most egregious expenditures of taxpayer money and bizarre experiments on animals are included. The report reveals that the Biden administration spent nearly one-quarter of a BILLION dollars injecting monkeys, mice and rats with hormones in an effort to turn them into the opposite sex. It didn't work. Animals were also injected with drugs popular on the LGBT party scene.

Highlights from Letters to Power 88

So positive and uplifting!! Makes the drive so much better and faster with traffic updates by Kenny!! 💙

- Love love love!!! This station has been blessing my heart since I was in junior high...years and years later, it is still my fave ♡♡
- This is my favorite radio station. One of my favorite reasoning is that Power 88 is a local station that gives you traffic reports and any news that may affect our day. The music is awesome with many incredible Christian artists/groups. I love most of all, the inspiring stories of real people testifying how they come to Christ, accepting Him as their Lord and Savior
