

VA@R VOYAGERS

VIRTUAL ACADEMY @ RANDOLPH

Good evening Voyagers!

This is Justine Carter, principal of the Virtual Academy @ Randolph, with a few announcements for next week.

This week is B week for our elementary students, which means our Kindergarteners, 2nd graders, 4th and 5th graders will have recess during their PE block and 1st and 3rd graders will have PE.

Staff, students, and parents-remember that tomorrow, Monday, September 27th all staff and students will engage in Virtual Bootcamp. Virtual Bootcamp will allow every teacher the opportunity to introduce, teach, and model the Google Calendar (which is how students will access their live lessons after Monday morning). Teachers will remind students where to access recorded lessons, how to navigate daily agendas and assignments, attendance expectations, how to enter class tardy and avoid disrupting the learning environment, how to access their resources when Pearson and/or other technology is not working correctly, and our elementary students will go through all the supplies that were distributed Friday and model how to use those during their live and asynchronous lessons. The new structure allows students the opportunity to learn both live with the teacher and independently via asynchronous lessons, projects, and activities. Remember that all staff and students will wear camo tomorrow as we engage in Virtual Bootcamp. Please email pictures of your students wearing camo and engaging in Virtual Bootcamp tomorrow to j1carter@randolpn.k12.nc.us.

Parents-interim reports were distributed Friday, September 24th. If you have questions or concerns-please contact the teacher to schedule a virtual conference. If you were not able to pick up your students' required materials on Friday, September 24th-please come by the Virtual Academy @ Randolph on Monday, September 27th between 7:30AM and 4:30PM.

Again-as a reminder-Monday will be the last time students use a Google Meet code to access live lessons-after Monday morning-students will access live lessons through their Google Calendar.

Google Meet Codes for Monday morning will be the last name of the teacher that students report to at 7:55AM.

We hope everyone had a restful weekend and we look forward to seeing you virtually tomorrow.

Have a great evening.
