### *Prayer changes people*

John Knox prayed and the results of his prayers caused Queen Mary to say she feared the prayers of John Knox more than the armies of Scotland.

John Wesley prayed and revival came to England.

Jonathan Edwards prayed and revival spread throughout the American colonies.

History has been changed time after time because Christians prayed.

History can be changed today from bleak to blessing if God's people will pray.

### *Highlights from Letters to Power 88*

- The first time I heard Power 88 was in my senior year of high school. I was on my way to school one morning and heard a song by Mark Schultz, "I Am the Way." It was his first release. That's what got me hooked on Power 88. I had been a Christian for about 2-years, but I thought Christian music was boring until I found your station!"
- How can you begin to explain something that is beyond your comprehension? All I know is that God is amazing! My family has been going through an extremely hard time this past year and God has seen us through. At the end of the day, I give it all up to HIM! Power 88 has ministered to me in a way that nothing else could. I have always been a music lover, but only this past year have I started listening to Christian music. WOW! What a wonderful way to hear God's Word!

### *Supporting Christian Radio*

If Christian radio has made a difference in your life and you do not have a means of helping support the station financially, there are 2 other important things you can do:

1. Keep us in your prayers that God will use this radio ministry for His glory 24/7.
2. Support a business that underwrites. Thank them for their donation to help support local Christian radio and use their services when possible.
