IMMUNIZATIONS

ATTENTION PARENTS OF 7TH GRADE STUDENTS:

Michigan law requires that all students be immunized against vaccine preventable diseases to attend Northeast Middle School. When a student enters 7th grade, the immunization requirements change. Please be sure your student is up-to-date.

The deadline for immunizations is November 1, 2026, but appointments with the Health Department become increasingly difficult to secure as the deadline approaches. The typical immunization update requirements for 7th graders include a **booster to Tdap and the meningitis vaccine**.

NOTE: Any parent/guardian who wants to claim a non medical waiver will need to receive education regarding the benefits of vaccination and the risks of disease from a county health department before obtaining the certified nonmedical waiver form through the Local Health Department. The new rule requires the use of the State of Michigan non medical waiver form dated January 1, 2017.

Youth Work Permit Process

Starting October 2, 2026, Michigan changed the process for students under 18 to obtain a work permit. Students and employers will now use the Michigan Department of Labor and Economic Opportunity's (LEO) online Youth Employment Permit Portal (YEPP) instead of obtaining permits through their schools.

MPS schools and the MPS Administration Center will no longer issue or approve youth work permits.

For more information and to access the YEPP system, visit the [Michigan LEO Youth Employment page](#).
