

Students OF THE MONTH

Evaline School Students Of The Month for February are:

Kinzley A.
Grady K.

CONGRATULATIONS

BUS RIDER OF THE MONTH:

GREAT JOB

Brendan O.

Student of Character Award

Each month one student from each classroom is recognized for their participation and application throughout the school day, particularly in their Social Emotional Learning Class. This weekly class focuses on one character trait during that entire month. In February the character trait was

“Perseverance”.

Congratulations to the following recipients for the month of February:

K-2nd: **Sebastian D.**

3rd-6th: **Sadie F.**

Mon. 3rd - Fri. 7th: NO SCHOOL for Spring Break!

Health and Safety

Please remember that Covid protocols are still in effect this year. It is very important to keep students home if they don't feel well, have cold or flu-like symptoms or have been in contact with a Covid Positive person. If your student needs to stay home, please call the office and let us know and their teacher will prepare homework accordingly. Thank you!

Classified Staff Appreciation Week March 6th-10th

We have been celebrating and showing our appreciation to our wonderful classified staff this week. Thank you to all of our awesome classified staff for the positive impact you make on our students. You are so needed and appreciated! YOU ROCK!! Our amazing staff members being recognized this week are: Mrs. Zoey, Mrs. Annie, Ms. Leanne, Mr. Masse, Ms. Carla, Mrs. Fletcher, Ms. Maggie, Ms. Steger, and Ms. Amanda.

THANK YOU for all you do!!

We will be showing our appreciation for our administrative/office team and our teaching staff later in the year.

Kindergarten - 2nd Grade February Student of the Month: Kinzley Alley

Kinzley comes to school everyday ready to learn. She has a positive attitude and takes on challenges with a can-do attitude. She is a friend to everyone and a ray of sunshine in our classroom. **Way to go Kinzley!** Congratulations for being February student of the month.

3rd - 6th Grade February Student of the Month: Grady Kirkpatrick

Academic achievement can come in many ways. Perhaps a student excels naturally and good grades come without much work or maybe another student must work hard every day to achieve an average grade. What I was focused on when looking for a student of the month was their effort when working on assignments. This student has shown improvement in their effort on assignments throughout this month completing work to a standard higher than their grade level. Writing assignments show a deeper level of thinking and Math assignments are completed with good penmanship and are organized.

February's student of the month for academic achievement often has success in class come naturally but it is their effort during this month that makes them shine. This month's student of the month is Grady.

Nice work, Grady!

Evaline Weekly News

3-9-2023

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Wintlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

Here are our students who made it to new LEAPS as of March 1st! Way to go, keep on reading and taking those AR tests!

Leap One - 10 Points

**Wyatt D.
Gunner P.
Serenity W.**

Leap Two - 20 Points

Leap Three - 30 Points

**Lilly S.
Finn R.
Jackson M.
Aalilyanna K.**

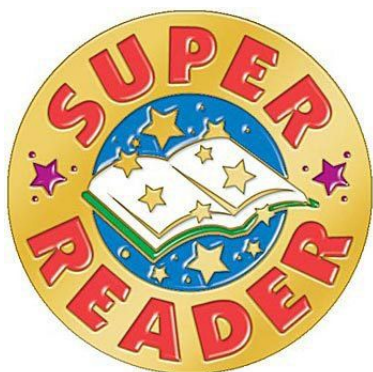

Leap Four - 40 Points

Leap Five - 50 Points

Brooklyn M.

Leap Six - 60 Points

Leap Ten with 100 Points

Way to go!

Kindergarten

Mrs. Tinnin

This week we are learning about the sounds 'th', buzzy 'th', 'qu', and 'ng'. We are also reviewing the 'ch' and 'sh' sounds that we learned last week. We are off to a great start for the read-a-thon! Reading goals are 30 minutes per day including weekends.

We started learning about teen numbers. Students use manipulatives and ten frames to see the connection of the numbers. Ten ones and one one equals eleven and so on.

We finished our Push, Pull, and Go unit in science. Students had fun putting everything together to knock down a row of dominoes.

First and Second Grade Explorers

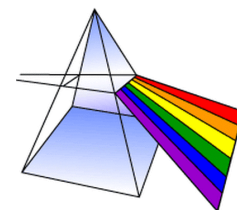

Mrs. Mittge

Students' swimming skills have improved greatly this week! Thank you, Booster Club, for providing our students with the opportunity to develop these essential skills!

We will be starting new math chapters next week. Second graders will be studying time and money. First grade will be developing their measurement skills.

We are wrapping up our science studies on light and sound before we begin our spring life science studies. Students should know that both light and sound travel in waves. They should also know the definitions of opaque, translucent, and transparent and the relationship light and shadow have on these objects. Additionally, students can provide the properties of a reflective surface and how to manipulate the angle of light.

Third and Fourth Grade Classroom

Mrs. Mars

What a fun week of swim lessons! Thank you Boosters for allowing us the opportunity to practice our swimming skills.

Students spent time in the mornings this week working on their book report posters. These posters are a great opportunity for students to practice the writing skills they have been working on all year and pair it up with learning about books in honor of Evaline's Annual Read-a-Thon. Students chose their favorite book to write about. They will write a multiple paragraph book summary, a book recommendation, a book rating, and illustrate a poster to display it all on.

Students in our classroom have now read and taken AR tests on over 4 million words this year! They have earned a **Show and Tell on Friday 3/17**. Items must fit in their zipped backpack.

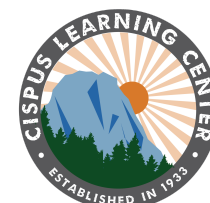

Fifth and Sixth Grade Classroom

Mr. Burlingame

This week marks our first full week of the Read-A-Thon! I am excited to see how much time our students have spent reading so far in the month of March. Each week students are given a new read-a-thon log sheet to record their minutes. Please use this form as much as possible as it makes final tallying of the minutes so much easier. In 5th and 6th grade our goal for each student is a total of 930 minutes for the month of March. Our class goal is 16,740 minutes. Though it was a short week, we reached 1302 minutes so keep it up and let's hit our goal and receive a great class prize.

6th Grade Parents-

Cispus is almost upon us! As you gather the needed items to send your student to camp at the end of this month, please remember that you do not need to get anything for the survival kits. Through a generous donation, survival kit materials will be supplied through the school this year!

SWIMMING!! Students have been having a great time this week at Thorbeckes for swimming lessons!
Thank you to the Booster Club for this great opportunity to learn/improve this very important skill!
