Carver's View

On Tuesday, July 28, 2020 our teachers and secretaries took registration to the community. Carver was able to triple a days registration at this event. We would like to thank all of the parents who participated in the drive thru registration. A big "Thank You" goes to Turner's Downtown Market Place for allowing us to host our registration on site. Please be sure to let our teachers (Trina Fairley, Tomeeka Smith, Karita Bush, Betty Brown, Mandu Pulicheru, and Jaylen Daniels) know that we appreciate them for volunteering one of their vacation days to make this event successful. This event could not have been completed without the teamwork of our on site registration secretary, Fetima Brown. All proofs were checked and verified promptly. A shout out goes to Harriet Johnson for her efforts in contacting our parents to encourage them to register. It truly takes all of us working together for our students. If you were unable to attend, please be sure to register before August 10, 2020. Please see the snap shots taken from the event. Be on the look for another "drive thru" registration.

Principal's Corner

As we embark on a new year, we understand the uncertainty that comes with navigating on a day to day basis. Our goal is to continue educating our students in a safe and orderly environment aligned to CDC recommendations and supporting our students with their academic progress during this school year. This will only work with a continued partnership between the parents and the school. With this collaborative effort, we can see significant growth in our students' ability to master skills and synthesize information while maintaining their safety. We will continue to keep you updated on all facets of the upcoming school year as they are communicated with us. We look forward to working in conjunction with all of you during this school year.

With our students' success in mind,

Sonia R. Bolden, Principal
