ATTENTION CAR RIDER PARENTS:

You may have noticed that traffic is getting backed up at Hutchens. The traffic guards have suggested that if you are not having to pick up a child from Hutchens, you might consider turning left out of Dawes and go the back way. You would turn left out of Dawes, take a right onto Westlake Rd N, and then right onto Johnson Rd S. This will help to alleviate some of the back up and help in keeping all entrances to Hutchens from being blocked. Also, if ALL parents could please use their blinkers to let the traffic guards know which way you are planning to go, that would help them out as well. Thank you for helping us to have a smoother afternoon dismissal for both schools.
