Superintendent Report:

Facility Pro/ects

- Main Entrance o Work on the Main Entrance renovation continues inside the building. All demolition, except for the exterior entry wall, has been completed and framing/insulation/drywall installation of the new interior entrance has started.
- , 7-12 Library o Materials for the 7-12 Library/lounge project continue to arrive. We hope to begin the construction phase of the project in January.

Head Start

- The program has a bus, but it has been sent to an auto shop in Wolf Point for repairs. Hillary has provided a handout detailing the harness that the Head Start program is willing to purchase for use on our small bus until their bus has been repaired. She countered back with a rate of \$2.50 per mile, which is a substantial increase above the original .65 cents per mile offer. Regarding a Head Start Center in Brockton, Hillary stated that the idea is currently being considered but that it would be up to the Brockton Community and School District to determine and propose an ideal location for the Head Start Center.

Dick Smith House

- I spoke to Debra Wagner, who maintains the house, and she said that Mr. Smith has no intentions of selling the house but is interested in renting it once cleaning and repairs have been completed. When all work on the house is finished, I will tour the house and, with the Board's blessing, begin negotiating a 2year rental agreement.

Superintendent Evaluation

- Evaluation forms are included in the Board meeting documents. Please complete the forms before the January 9th Board meeting and email back to me or drop them off at the District office.

With no further business, Olivia Johnson made a motion to adjourn. The motion was seconded by Terry Rattling Thunder. Motion carried 3-0.

Meeting adjourned at 6:23 P.M.
