ANNOUNCEMENTS

Teacher of the Year: Attention all students and faculty members of Midland High School! This is your chance to recognize an outstanding teacher who has made a significant impact on the students and community. Please nominate a "Midland High Teacher of the Year" by picking up a nomination form from the main office, media center, or your English teacher. The deadline for nominations is Monday, March 17, 2025.

Blood Drive: Chemics, we have a blood drive TODAY. If you are 17 years old or older, you can sign using the QR code located on posters around the school on walk in the girls' loft. Michigan has a critical blood shortage. Donate today!

P2P: Join us in Eyeball tomorrow during first and second lunch to learn more about seasonal affective disorder. Look out for the table in eyeball alley! We will be doing a coloring competition to raise awareness about seasonal affective disorder. This is brought to you by P2P.

Yearbooks: Chemics - the 2025 yearbook price increases to \$75 SATURDAY. Right now, the price is \$70 - don't pay more than you have to! Order today at www.yearbookforever.com or bring cash / check to room 325.

Club Med: Attention Chemics! Club Med is hosting a first-aid kit-building project. Please help us by bringing donations such as Alcohol wipes (single use), Antibacterial packets (single use), Band-Aids (finger size), Gauze, Rubber gloves, and Surgical Masks. Anyone can attend the meeting on March 20th to make the kits. You will receive volunteer hours! Thank you.

Adams Elementary Carnival: Former Adams Atoms, listen up! The Carnival is returning March 14, 5:30-7:30 p.m., after a nearly 6 year hiatus and is in need of volunteers to make the magic happen. Just think, you could help run the beloved Cake Walk...maker of many sugar rushes...and occasionally the dasher of sweet dreams. You don't have to be an Atom...any high schooler volunteering will get a free slice of pizza (and a walk down memory lane for those Atoms) for helping out. Please stop in the main office if you'd like to help out. Remember..."every day is a great day at Adams!"

International Club: International Club will be hosting a meeting TODAY, after school at 2:35pm! Sasha, our foreign exchange student from Argentina, will be showcasing her Argentinian culture and will share a traditional dessert called "choco tarta". Another chemic, Liliana Villarreal, will also be sharing her Mexican heritage, focusing on the art and celebrations from Oaxaca. Don't miss out on your chance to learn about Spanish cultures and try out new traditional foods! Bring a friend-can't wait to see you there!

BPA: BPA State Qualifiers! We have a mandatory meeting TODAY in Dr. Cronk's Room at 7:00 pm in the evening. We will discuss the state conference that will take place this Thursday! See you there and good luck!

Yearbook: Seniors! Please check the Yearbook Senior Section Proofs hung up Eyeball Alley. Check your photo AND your name spelling! If we do not hear from you about any errors or changes, this is how the senior section will look in the 2025 Chemic Yearbook.

Club Med: Attention Chemics! Club Med asks anyone who can donate the items listed on the flyers to do so. These flyers are posted around the school. Please bring your donations to Mrs. McDonald's Room 114. These items are needed to make first aid kits for people in need. Thank you!

POSITIVE THINKING

Strength

The strongest oak of the forest is not the one that is protected from the storm and hidden from the sun. It's the one that stands in the open where it is compelled to struggle for its existence against the winds and rains and the scorching sun.
