What happens if the school cancels the trip?

- After 2020, Bennett travel has changed the way we do business.
- Your prepayments are held in a separate account which will only be used as payments to our vendors as needed. **Most** vendor deposits do not need to be made until 45-90 days out With final payments 30 days prior to trip.
- If a trip is canceled 91 days or more before the departure date, Bennett Travel will refund 100% of payments less any non-refundable payments made to vendors.
- If cancelled 90 days or less from departure, your trip protection package will refund up to 75% of non refundables

“TURNING POINT”

2/12/2022

- This is the date that is 91 days from your trip.

After this date, there will be some nonrefundable deposits which have already been made which is why purchasing the Travel Protection Plan when you first sign up for the trip is so important.
