The Fannin County Board of Education met in a special Strategic Planning Session with the following members present: Steve Stanley, Chair; Sandra Mercier, Vice-Chair; Bobby Bearden; Terry Bramlett; and Lewis DeWeese. All members present.

Steve Stanley called the meeting to order.

Mr. Henson explained that the state requires local boards with veteran members to participate in nine hours of board governance training each year. The purpose of this meeting is to participate in a three-hour local board training session on the topic of facilities planning. This training session also satisfies the whole-board training requirement established by the State Board of Education.

Mr. Doug Fields, a facilities consultant for Pioneer RESA, presented information to the Board on facilities planning.

There being no further business to come before the meeting, a motion was made by Bobby Bearden, seconded by Terry Bramlett, to adjourn subject to being called into special session by the Chair when deemed necessary. All members voted yes; motion carried.

Steve Stanley, Chairperson

Mark Henson, Superintendent
