

7th Grade Newsletter

Week of September 28th, 2026

Math Mrs. Jarrett mjarrett@rappahannockschools.us Block 1: We are starting our unit on Two-step Equations. Students will write and solve two-step equations with one variable. Blocks 2 & 3: We are working on Simplifying and Evaluating Expressions. Students will simplify numerical expressions and evaluate algebraic expressions for given values of variables. Please do not hesitate to reach out with any questions, comments or concerns.	English Miss Rowell mrowell@rappahannockschools.us Students will have a vocab quiz Friday on Friday. We are continuing our non-fiction unit and researching holiday traditions in different countries. Students will complete a brochure and present on their findings.
Civics Mr. Hummill mhummill@rappahannockschools.us We are in the middle of our second unit on the federal government. We will have a quiz on the powers of the branches and checks and balances Monday Sept. 28th (this is a change from the previous newsletter).	Science Mrs. McCabe emccabe@rappahannockschools.us Cell projects are due this week. These will count as a test grade. Please email me if you have any questions or issues and we will figure it out! Questions or concerns? Please feel free to reach out with an email.

Important Notes and Reminders

- **October 8th- Parent Teacher Conferences. No school for students**
- **October 9th- No school for students- Teacher PD**
- **October 12th- No school for students- Teacher Work Day**
- **We have seen an increase in glass beverages and energy drinks. As a reminder, glass containers are prohibited. Energy drinks (including Alani beverages) are banned for all student athletes per VHSL and more information on this can be found on page 23 of the RCPS Athlete Handbook located on the RCPS website.**
