## WHAT DOES THE TRINITY MEAN TO US?

We believe in one Father yet look at the world and see what we accept and who we hate. With such division and derision, can we really believe that we all are the children of one Father? "We believe in one Son" Yet walk through the streets and see the starving, the homeless, the sick, while others live in luxury or excess. Do we really believe that they all have the same Brother as we? "We believe in one spirit" : Yet watch those who give selflessly in compassion, while others sit idle and carefree. Are we rally hearing and serving with the same Spirit? To believe in the Trinity is not to believe in a thing an object, a model, a definition, or an idol. To believe in the Trinity means to believe in action, in dynamic revolutionary force, in a power that can change the face of this earth. And if this belief does not bring that change, that power, that force into your heart, why do you say you believe?
