## BIG NEWS, BIG THANKS!

We're thrilled to announce that Hughes FCU and the Friends of the Kirk-Bear Canyon Library have awarded us a **\$9000 grant to fund several projects**: expanding our collection of books in Spanish & creating a picture book collection to better serve *all* students in our library, acquiring more book easels for dynamic displays, creating book club sets of high-interest YA titles, and fulfilling some of our extensive book wish list! Thank you for your generosity!

## ON DISPLAY

During the month of September, we featured the following book displays:

- 9/11
- Constitution Day
- Mes de la Cultura
- New books

## FALL IN LOVE WITH READING

Reading opens doors and minds! Research shows that **reading for fun improves mental health, increases verbal skills & academic achievement, & increases empathy** (among other things). Can you find 10 minutes to read for fun today?
