

## Public Notice

Jefferson County School District intends to apply for the Innovative Approaches to Literacy program made available by the U.S. Department of Labor on behalf of the U.S. Department of Education for increasing reading and language arts achievement from Pre-Kindergarten through 12<sup>th</sup> grade. The public is invited to comment about the proposal at a meeting to be held at the Office of the Jefferson County Superintendent of Schools at 942 Main Street at 10:00 a.m. on Thursday, June 4, 2026. The funded project and associated evaluation reports will be available at the Jefferson County School District Central Office, upon request, at any time.
